About Our University

Shaping Bright Futures
Beyond Boundaries

Assam Don Bosco University

Founded in 2008 by the Salesian Society, Don Bosco University is dedicated to offering holistic and personalized education.

The University offers comprehensive undergraduate, postgraduate, and professional programs designed to cater to the needs of working professionals, lifelong learners, and aspiring leaders.

At Assam DBU, our mission is to provide accessible, high-quality education that prepares students for leadership roles in various sectors and contributes to social transformation. We aim to equip students with the skills and knowledge they need to thrive in an increasingly interconnected world. Programs offered at DBU combine a strong academic foundation with practical insights, ensuring that students gain the relevant skills to meet industry demands.

15+ Years Of Holistic & Personalised education

> The school was not the end; it was rather the instrumental means for improving the way of life.
>
> **St. John Bosco (Don Bosco)**

Who We Are

Assam Don Bosco University is a premier institution of higher education dedicated to excellence in teaching, research, and service. Rooted in the vision of Don Bosco, we aim to educate young people with values, skills, and knowledge that prepare them to be responsible leaders and contributors to society.

We combine academic rigor with innovation, research, and community engagement, creating a holistic learning environment that nurtures intellectual growth, character formation, and a commitment to the greater good.

Why Choose Assam Don Bosco?

- A UGC, AICTE, and NAAC accredited university with international collaborations
- Rooted in Don Bosco's philosophy of integrity, ethics, and service.
- Cutting-edge curriculum designed to meet global industry standards.
- An academic and educative style of relationship founded on love, manifested to and perceived as such by the students (loving kindness).

Our Legacy

Assam Don Bosco University carries forward the rich educational tradition of the worldwide Don Bosco network, which serves millions of young people in over 130 countries. Inspired by the vision of St. John Bosco, our legacy is built on a foundation of academic excellence, values-based education, and a deep commitment to social transformation.

With a legacy of nurturing character, leadership, and innovation, the university stands as a beacon of hope and opportunity, shaping generations of students to make meaningful contributions to society and the world.

What Sets Us Apart

01 Internationally Accredited Curriculum

We integrate both national and international education standards, ensuring our students are equipped to thrive in a global landscape.

02 Personalized Learning Approach

Every student is unique, and our programs are designed to cater to individual learning styles and aspirations.

03 Experienced and Passionate Educators

Our faculty comprises dedicated professionals who inspire students to think critically and lead confidently.

04 Diverse and Inclusive Environment

We celebrate diversity and foster a culture of respect, inclusivity, and collaboration.

Mission, Vision & The spirit of the University

Mission

Our Role - to be a centre for culture, knowledge, research, intellectual ferment; for critical thinking and analysis of whatever shapes and impacts human life: culture, politics, governance, religion, education, health care etc.

Our Commitment - to make professional and higher education accessible to the weaker sections of society.

Our Endeavour - to ensure that our graduates become dependable human leaders with a strong sense of commitment to the disadvantaged.

Vision

To mould young persons into intellectually competent, morally upright, socially committed and spiritually inspired citizens at the service of India and the world of today and tomorrow, by imparting holistic and personalized education.'

Guided by this vision and leveraging its century-old expertise in education in India and abroad, Don Bosco University is envisaged to be a centre of excellence in study and research focusing upon the following:

1. **Providing easier access to higher education for the underprivileged**
2. **Harmonising technical excellence with human and religious values**
3. **Employment-oriented courses in emerging areas of contemporary technology and service**

4. 'Teacher Education' as a privileged area of interest to accelerate the pace, reach and quality of education
5. Impetus to research initiatives with practical and social relevance
6. Providing a forum for debate and research on key human issues like religion & culture, peace & justice
7. Contributing to the socio-economic development of North-East India
8. Boosting international linkages and collaboration in university education

The spirit of the university has been encapsulated in its emblem which has five distinct elements

1. 'The Cross' signifies its underlying Christian inspiration;
2. 'The Profile of St. John Bosco' denotes its distinctive educational philosophy;
3. 'The book emphasizes its commitment to academic excellence;
4. 'The rays of the Rising Sun' stand for its dynamism and commitment to society; and,
5. The motto, 'Carpe Diem' which meaning 'Seize the Day' challenging every Bosconian to grasp the opportunities presented by each new day and attain 'life in its fullness.'

Message from the

Vice Chancellor

Fr (Dr) Jose Palely

Vice Chancellor
ADBU

Belonging to the worldwide family of the Salesians of Don Bosco, we have set very high goals for ourselves. We are a young university – but we nurse big dreams, and strive to achieve them. If you are looking for a place to study, and dream of receiving quality education, DBU is the place for you. As the Vice Chancellor of this University, I invite you to go through the programmes we currently offer. Whether you are looking to complete a degree, certificate or diploma program, or simply want to give in at last to that urge for higher education for the first time, we will be happy to assist you. The committed men and women who form our faculty are at your service.

We are set on a course to be 'the institution of choice' for open, distance and online education. We intend to get there by providing exceptional service to our learners.

We will be happy to serve you and your learning needs as you forge ahead in your career.
