

Assam Don Bosco University

HEI Profile & Administrative Information :

HEI Basic Information :

Registration ID: HEI-P-U-0049

Name of the HEI: **Assam Don Bosco University**

Institution Type: Private

Year of Establishment: Mar 2008

Mode of Education: Dual Mode

City: Guwahati

District: Kamrup(M)

Address_1: Tapesia Gardens, Kamarkuchi,

Address_2: Tapesia Gardens, Kamarkuchi,

Pin Code: 782402

Email: director.cdое@dbuniversity.ac.in

Telephone: 9436112265

Fax:

State: ASSAM

Official Website of HEI:

Learning Management System (LMS)

Counselling Process

Mode of Counselling :- Asynchronous

Brief describe the provision in LMS to be used by HEI :-

The LMS of ADBU-CDOE provides a seamless digital learning experience for students, faculty, and administrators. Students can access course materials, submit assignments, take quizzes, attend live classes, participate in discussions, and track grades. Faculty can manage courses, upload content, create exams, monitor student progress, and interact via discussion forums. Administrators handle user management, course supervision, analytics, and technical support. The platform offers automated grading, real-time notifications, and a digital library, ensuring an interactive and efficient learning environment. With robust tools for engagement and assessment, the LMS enhances online education through accessibility, convenience, and academic excellence.

Briefly write how the Learning Management System (LMS) will ensure the following: (provide a demo link, if available) :-

Assessment mechanism

LMS provides a robust assessment system with automated quizzes, timed exams, assignments, and project submissions. Faculty can create multiple-choice, subjective, or descriptive questions with auto-evaluation or manual grading. Plagiarism detection ensures academic integrity, while real-time tracking, analytics, and feedback enhance evaluation. The Controller of Examinations (CoE) at ADBU oversees ODL/OL programme exams, maintaining the same standards as conventional courses. Exam setting, conduct, and evaluation follow uniform guidelines. Additionally, students must maintain a minimum of 75% attendance in online or offline sessions to be eligible for exams, ensuring active engagement and accountability.

Identified technological interface and interoperability	The LMS is built on a scalable and secure technological interface, ensuring seamless learning and administrative functions. It supports interoperability through integration with licensed version of video conferencing tool, plagiarism detection software, and cloud storage for content management. The system is compatible with multiple devices (PC, mobile, tablet) and operating systems, providing a user-friendly experience. API support allows integration with external databases, student information systems (SIS), and digital libraries. With role-based access, secure authentication, and data encryption, the LMS ensures smooth, efficient, and secure academic operations.
Learner's Authentication Requirements	1. User Logins are authenticated with email and mobile number verification at registration phase. 2. Each subsequent login verified through a combination of self-created User ID and password subsequently verified using OTP on email or SMS. 3. Each login IP and Geo location is tracked.
Learner Registration - through a web application	https://www.dbuniversity.ac.in/dbucdoe/
Active Engagement of the Learners along with Analytics for active engagement of learners and Reporting	The LMS promotes active learner engagement through interactive discussion forums, live classes, quizzes, and collaborative assignments. Real-time notifications, progress tracking, and AI-driven recommendations enhance participation. Analytics tools track attendance, engagement levels, and course completion rates, providing faculty with insights into student performance. Dashboards display key metrics such as time spent on modules, quiz scores, and interaction frequency. Automated reports help faculty and administrators identify at-risk students, optimize course delivery, and improve retention. Detailed reporting ensures data-driven decision-making for enhancing the overall learning experience and academic success.
Payment Gateway –using Digital Payment system	https://www.dbuniversity.ac.in/dbucdoe/ 1. Online fee payment gateway to allow for payments using Credit / DebitCards as well as all available Indian Net banking systems. 2. Fee payments also accepted via Bank Transfer with Online Submissions of Proof of Payment for account entry matching and reconciliation
Tracking the delivery of a Course or programme	The LMS offers comprehensive tracking of course and programme delivery through built-in monitoring tools. Faculty can track content completion, student progress, and engagement levels using interactive dashboards. Automated attendance logs, participation reports, and time-spent analytics help ensure students are actively involved. Course milestones, assignment submissions, and quiz performance are monitored in real-time, allowing faculty to intervene when necessary. These insights ensure structured course delivery, timely interventions, and continuous improvement in online learning programmes.
Technical Know-how or Skills Requirements	The LMS is designed for ease of use, requiring minimal technical expertise. Basic digital literacy, such as navigating online platforms, uploading/downloading files, and using discussion forums, is sufficient for students. Faculty should be familiar with content creation, quiz/exam setup, and grading tools. Administrators require knowledge of user management, data analytics, and system configurations. The platform supports training sessions, user guides, and helpdesk support to assist all users. Compatibility with multiple devices and an intuitive interface ensure seamless accessibility, making it user-friendly for diverse technical skill levels.

Learning Platform

Learning Platform :- Non- SWAYAM

Provide details for sample module/unit :- <https://online.dbuniversity.ac.in>

URL :- <https://online.dbuniversity.ac.in>

Student details Login ID :- student@univ

Student details Password :- Nwpass@1

Teacher Login Details- Login ID :- ugcdemo

Teacher Login Details- Password :- student@univ

Briefly write on ICT facilities available/ to be ready dedicated for the implementation of Online Courses :-

The LMS at online.dbuniversity.ac.in is fully equipped with advanced ICT facilities to support seamless online course implementation. It features high-speed internet, a cloud-based infrastructure, and secure data storage. The platform integrates multimedia content, live video through licensed version of video conferencing tool, AI-driven analytics, and automated grading. Dedicated servers ensure scalability, while mobile and desktop compatibility enhance accessibility. Security measures include authentication protocols and plagiarism detection. Additionally, digital libraries, student management systems (SIS), and technical support services ensure a smooth, interactive, and efficient online learning experience for all users.

Yes

Examination Centres meet all the guidelines laid under Annexure II of UGC (Open and Distance Learning Programmes and Online Programmes) Regulations, 2020.

Upload Affidavit as per the prescribed format :- View

Upload Undertaking as per the prescribed format :-View View

Submission

It is hereby declared and affirmed that the Higher Educational Institution shall adheres to all the provisions mentioned under the UGC (Open and Distance Learning Programmes and Online Programmes) Regulations, 2020 including following Annexures

☒ Centre for Internal Quality Assurance (CIQA) in Annexure I

☒ Conduct of Examination and Minimum Standards for Examination Centres in Annexure II

☒ Territorial Jurisdiction and Regulating Provisions for Different Types of Higher Educational Institutions in Annexure III (For ODL Programmes)

☒ Human Resource and Infrastructural Requirements in Annexure-IV

☒ Guidelines on Programme Project Report (PPR) in Annexure-V

☒ Quality Assurance Guidelines of Learning Material in Multiple Media and Curriculum and Pedagogy in Annexure-VI

Grievance Redress Mechanism in Annexure-X

Further undertakes to ensure that the HEI shall display on its website a joint declaration by authorized signatories, Registrar and Director of Centre for Internal Quality Assurance, authenticating the documents uploaded on its website, in compliance of regulation 9 of UGC (Open and Distance Learning Programmes and Online Programmes) Regulations, 2020.

The HEI hereby declare that the information given above and in the enclosed documents is true, correct and nothing material has been concealed therein. The Higher Educational Institution shall be solely responsible for any legal issues arising out of non-compliance of UGC (Open and Distance Learning Programmes and Online Programmes) Regulations, 2020.

The HEI understand that in case information provided is found to be contrary to the fact, it would entail not only withdrawal of permission/recognition for such ODL courses but also for other courses offered by the institutions, on regular and conventional mode

As per Regulation 5(7) No Higher Educational Institution shall offer any Open and Distance Learning Programme and/or Online Programme and admit learners thereto unless it has been granted recognition by the Commission and admission shall not be made in anticipation of the recognition.

HEIs may please note that the mere submission of an application should not be considered as grant of approval and that all application(s) shall be subject to scrutiny with respect to the standards stipulated in the UGC (Open and Distance Learning Programmes and Online Programmes) Regulations, 2020 and its amendments.

Your application successfully submitted on 14-04-2025 under Eligible category
