AC:2025: 30 AUG:02: Important Academic Matters

a) Introduction of new courses 2025-26

Fr Zacharias George presented a summary of the new courses introduced for the Academic session 2025-26

(i) B.Sc Animation Programme

It is a four-year undergraduate degree designed to provide students with a comprehensive education in both the artistic and technological aspects of animation. The program blends foundational theory, hands-on practice, interdisciplinary learning, and advanced specialization in 2D and 3D animation. It integrates contemporary digital tools such as AI, UI/UX, and motion graphics with traditional principles of animation to meet industry standards.

The students will become proficient in audio, video, animation, web designing, and graphic designing, developing an overall skill set.

(ii) Master of Library & Information Science (MLISc)

MLISc Program is a two-year postgraduate degree designed to develop advanced knowledge, practical skills, and interdisciplinary expertise in library and information science. Emphasizing both traditional and emerging domains, the program integrates core Library Information Science concepts with digital technologies, artificial intelligence, and digital humanities.

(iii) Certificate Courses

Department of Management is offering 3 Certificate Programmes – each one consisting of 20 Credits for a duration of Six Months.

(a) Certificate Programme in Tourism Management

It will equip students with skills in customer service, operations management and global tourism trends.

(b) Certificate Programme in Entrepreneurship and Family Business Management

This Programme will equip aspiring entrepreneurs with skills in innovation, strategic decision-making, and financial acumen.

(c) Certificate Programme in Retail Management

This Programme will provide insights into retail operations, merchandising, supply chain management, and consumer behaviour.

(d) Certificate in Drone Technology

ADBU in launching Drone Lab and a Certificate Course in Drone Technology in collaboration with RCHobbytech Solutions Pvt Ltd. will provide a short-term training programme on drone technology that will include programming, operations and applications.

ASSAM DON BOSCO UNIVERSITY

Tapesia Gardens, Kamarkuchi, Sonapur – 782 402, Assam, INDIA

(e) Bachelor of Commerce (Hons) in Business Analytics

Bachelor of Commerce (Hons) in Business Analytics will offer a fine balance of knowledge of Commerce and skills on Data Analytics.

This Program is skill-oriented, providing knowledge on all the aspects of commerce, economics, taxation, accounting, auditing, and mathematics & statistics while having an extended focus on data-driven decision-making and business analytics that prepares students for jobs in Finance, IT, etc.

(f) Integrated Teacher Education Programme (ITEP)

Integrated Teacher Education Programme (ITEP) for BSc-B.Ed & BA - B Ed will be introduced after getting the required permission from ERC, NCTE.

Virtual Inspection by NCTE was held on 8 August 2025

ITEP is expected to address the long-standing issues of quality and accessibility in teacher education. It combines theoretical and practical knowledge, equipping students with the requisite skills to become proficient teachers. The program emphasizes a multidisciplinary approach fostering expertise in pedagogy, subject knowledge and values-based education.
