Learning Management System (LMS)

Counselling Process

Mode of Counselling :- Asynchronous

Brief describe the provision in LMS to be used by HEI :-

User Management: Role-based authentication, User Registration, User Profiling along with the personalized dashboard. User's activities analytics. Learning Management System should have an Application Programming Interface, Integration facility to integrate with external applications/ tools.

Briefly write how the Learning Management System (LMS) will ensure the following: (provide a demo link, if available) :- evolute.dbuglobal.com

Assessment mechanism

1. Students polled regularly with online survey for faculty feedback, checking on faculty engagement and support. 2. Student feedbacks via Mentors regarding faculty to be kept confidential and reported accordingly to Program Coordinator for further action.

Identified technological interface and interoperability	1. Learning Management System should have an Application Programming Interface, Integration facility to integrate with external applications/ tools. 2. Learning Management System must support all types of files (PDFs, docs, MP3s, MP4s, etc.) and e-Learning formats, and data collection. 3. The platform should allow creating personalized learning paths along with criteria that are necessary to be met before they move on to the next content capabilities.
Learner's Authentication Requirements	1. Logins authenticated with email and mobile number verification at registration phase. 2. ID's verified manually – against AADHAAR / Passport or other accepted forms of Government issued ID at registration. 3. Each subsequent login verified using OTP on email or sms. 4. Each login IP and Geo location tracked.
Learner Registration - through a web application	https://apply.dbuglobal.com
Active Engagement of the Learners along with Analytics for active engagement of learners and Reporting	1. Mentoring System in Place, with Mentor – Mentee Interaction for regular follow up, counselling or encouragement. 2. Personalized Learning using AI & ML to identify learning gaps, and aid students to put in efforts the right parts of the course ware. 3. Student Community features such as chat and forum for Group Projects. 4. Award Badges for various metrics achieved, such as videos watched, hours logged in etc. on platform to encourage students to remain engaged.
Payment Gateway –using Digital Payment system	https://apply.dbuglobal.com 1. Online fee payment gateway to allow for payments using Credit / Debit Cards as well as all available Indian Net banking systems. 2. Fee payments also accepted via Bank Transfer with Online Submissions of Proof of Payment for account entry matching and reconciliation
Tracking the delivery of a Course or programme	1. 1 mentor to be assigned for 250 learners as per the regulations. 2. Initial Mentors Identified for the entire list of Programs. 3. Dashboard and Login to appropriate tools for Student tracking & communication available
Technical Know-how or Skills Requirements	Basic knowledge of Computer: Using keyboard and mouse. Managing files and folders: save, name, copy, move, backup, rename, delete, check properties. Software installation, security, and virus protection. Using software applications, such as Word, PowerPoint, Excel, email.
