

ASSAM
DON BOSCO
UNIVERSITY
NAAC 'A' GRADE

PROSPECTUS 2026

Carpe Diem

DON BOSCO

Saint John Bosco, popularly known as Don Bosco (Italian for Father Bosco) was born at Becchi, in Piedmont, Italy on August 16, 1815. From a very young age, he had decided that he had been called to work for the poor boys of that era when Europe was under the grip of the Industrial Revolution, and many young people who came to the cities to study or in search of work fell an easy prey to the many social evils of the time.

After being ordained a priest of the Catholic Church in 1841, Don Bosco came to the rescue of these poor boys with his novel method of educating youth through total dedication and personal involvement in their lives and problems.

He is the founder of Don Bosco Society.

VICE CHANCELLOR'S MESSAGE

Thank you for expressing interest in Don Bosco University, Assam, India! We are delighted to welcome you to our University.

As the first university within the English-speaking community of the worldwide Salesians of Don Bosco, we have set ambitious goals for ourselves. Despite being a relatively young institution, we harbour significant aspirations and are committed to realizing them.

Why Choose Don Bosco University?

Your Success is Our Goal: We base all of our planning and execution on giving you the best possible chances. Every year, ADBU innovates to provide you with the finest. To fully enjoy life, seize every opportunity.

Holistic Education: We recognize that education transcends mere academics. We strive to develop the full individual, including their intellectual, professional, social, and spiritual needs. Ignoring any of these facets would undermine the transformative power of quality education.

Global Citizenship: The world is your stage thanks to our connections with domestic and higher educational institutions. You can get help from the office of international relations to enroll in short-term courses and programs at institutions abroad. As graduates of Don Bosco University, we expect you to be active agents of social change across the world.

What Awaits You at Don Bosco University?

- **Nurturing and Supporting Environment:** You can flourish in our campus's caring and supporting environment.
- **Dynamic Curriculum:** Our demanding curriculum is designed to adapt quickly to the changing world.
- **Devoted Faculty:** You'll find a tight-knit group of devoted and committed educators here.
- **Personal Development Opportunities:** Take advantage of many opportunities for your own growth.

Once again, welcome to Don Bosco University! We look forward to accompanying you on your educational journey. Carpe Diem!

Fr (Dr.) Jose Palely
Vice Chancellor

SCHOOL OF TECHNOLOGY

*Masterful blend of theory and practice
Student exchange and semester abroad programmes
Live industrial projects under expert supervision
Research collaboration with national and international universities
Incubation, innovation, creative thinking
... for socially committed and groomed technocrats*

Bachelor of Technology (BTech)

BTech offered by the University is a 4-year (8 Semester) AICTE approved programme (the approval has been extended via AICTE Letter F.No. Eastern/1-43657771725/2024/EOA dated 21 May 2024) leading to the award of the degree of Bachelor of Technology. The Bachelor's Degree in Technology is offered in six branches.

Number of Seats

60 seats in Civil Engineering, Computer Science and Engineering, Artificial Intelligence & Machine Learning
30 seats in Electrical and Electronics, Electronics and Communication Engineering, Mechanical Engineering

Minimum Eligibility Criteria

- Passed Higher Secondary School Leaving Examination (or equivalent) with 50% of the aggregate and 50% of the aggregate of Physics, Maths and Chemistry/Computer Science
- OR**
- Passed Diploma (in Engineering and Technology) examination with at least 50% marks (subject to vacancies in the First Year, in case the vacancies at lateral entry are exhausted)
 - JEE (Mains), any State Entrance Test or the Don Bosco University Graduate Entrance Test

Admission Procedure

Vide page 67

Location

Azara Campus

BTech - Civil Engineering

Civil Engineering is the broadest of the engineering fields. Civil Engineering focuses on infrastructure which includes Water works, Sewers, Dams, Power Plants, Transmission Towers/Lines, Railroads, Highways, Bridges, Tunnels, Irrigation Canals, River Navigation, Shipping Canals, Traffic Control, Mass Transit, Airport Runways, Terminals, Industrial Plant Buildings, Skyscrapers, etc.

Among the important subdivisions of the field are structural engineering, water resources engineering, transportation engineering, geo-technical engineering and environmental engineering. Civil engineers craft world's infrastructure. With the boom in infrastructure development the demand for civil engineers remains ever high.

Course Structure and Syllabus

Available on our website www.dbuniversity.ac.in

BTech - Electrical and Electronics Engineering

Electrical and Electronics Engineering is one with the greatest employment potential within the engineering profession, and therefore one that is most sought after. These engineers design and develop electrical and electronic systems and devices such as communications equipment, integrated circuits and computers.

Electrical Engineers are responsible for designing, developing, testing as well as supervising the production and deployment of electrical and electronic equipment and machinery used in broadcast and telecommunication systems, electric motors, controls of machinery, aircraft, radar and navigation systems, power generation and control and transmission devices which are used by electrical utilities. In short, electrical engineering covers all facets of electrical energy right from generation to transmission to distribution.

Course Structure and Syllabus

Available on our website www.dbuniversity.ac.in

BTech - Mechanical Engineering

Mechanical Engineering is the primary force fuelling the advancement of human society since the beginning of civilization. Embedded in every aspect of industrial development and human prosperity, mechanical engineering finds application in the fields of automotive, aerospace, energy, oil, defense sector etc. Mechanical Engineers are highly sought after by government organizations like IOCL, ONGC, NTPC, BHEL, ISRO, DRDO, HAL, BARC, Indian Railways etc.

Mechanical engineering graduates find opportunities in software engineering as well. The department imparts comprehensive foundation in mechanical engineering through various courses in the fields of fluid and thermal sciences, design and manufacturing. Apart from the core activities, the department also conducts regular symposiums, workshops, industrial visits and hands-on sessions to inculcate practical knowledge that aligns with the needs of the industry.

The Mechanical Engineering department has 13 full-fledged, well- equipped labs including the ISO 9001:2015 certified workshop, CNC lab equipped with various CNC kits such as 2 axis, 3 axis, 4 axis Lathe and Milling machines as well as a Robotic arm. In addition, a state of the art exclusive training center of Royal Enfield is established in the School of Technology.

Course Structure and Syllabus

Available on our website www.dbuniversity.ac.in

BTech - Computer Science and Engineering

Computer Engineers are involved in the design, implementation, and application of computing systems and networks. Computer Engineering is a branch of engineering which integrates other engineering branches to have fruitful products for general people. They apply electronics engineering techniques and computer science concepts to develop dependable and cost-effective hardware and software systems.

Computer Engineering is the fastest growing area within Engineering. It is also a field that offers a wide variety of challenging and interesting careers, including research, design and development of the electronic or software components of computer systems and as well as mobile applications like android, IoT applications etc.

Course Structure and Syllabus

Available on our website www.dbuniversity.ac.in

BTech - Artificial Intelligence and Machine Learning

Artificial Intelligence (AI) and Machine Learning (ML) is a discipline of Computer Science and Information Technology concerned with creating intelligent computers and systems that accomplish tasks that previously required human intelligence. AI and ML are beginning to infiltrate our daily lives and their potential continues to rise. Many industries like banking, finance, manufacturing, automobile, healthcare and cyber security are sprouting with ample opportunities for AI and ML.

Student studying this programme will be equipped with skills to become an innovator and will be capable of contributing to humanity at a larger extend.

Course Structure and Syllabus

Available on our website www.dbuniversity.ac.in

BTech - Electronics and Communication Engineering

The Electronics and Communication Engineering programme emphasizes on acquiring technical skills that are required to design, develop, install, test and maintain electronics and communication systems. VLSI design, embedded systems, digital and analog communication, control systems, wireless communication, fiber optic communication, signal processing and audio and video communication technologies are core areas of study in this discipline.

Modern electronics and communication industry is growing at a phenomenal rate and there is a great demand for trained professionals in these areas. The employment avenues for them include design and fabrication of integrated chip, data and telecommunications services, research and development, TV and satellite services and the entertainment industry.

Course Structure and Syllabus

Available on our website www.dbuniversity.ac.in

BTech - Honours

Students admitted to a four-year B.Tech degree course will be offered a provision of earning B.Tech with Honours in some emerging areas of the same department. For this, students found to be eligible as per University norms will require to earn a minimum of additional 18 to 20 credits in the specified area in addition to the credits essential for obtaining an Undergraduate Degree in the major discipline (i.e., 160 credits).

BTech - Lateral Entry

Limited seats are available for direct admission into the third semester of B.Tech for Diploma Holders from AICTE approved Polytechnics and BSc (PCM) graduates.

Eligibility Criteria

- Passed Diploma examination with at least 60% marks in ANY branch of Engineering and Technology
- Passed B.Sc. Degree from a recognized University as defined by UGC, with at least 50% marks and passed 10+2 examination with Mathematics as a subject

Bachelor of Computer Applications (BCA)

The BCA programme is an innovative industry-ready programme with specializations in the emerging areas of Artificial Intelligence and Machine Learning, Data Science, and Full Stack Web Development. The following options will be made available to the students joining BCA:

- a. One year: Under Graduate Certificate in Computer Application
- b. Two years: Under Graduate Diploma in Computer Application
- c. Three years: Bachelor in Computer Application (BCA)
- d. Four years: Bachelor in Computer Application with Honours: BCA (Honours) or Bachelor in Computer Application Honours with Research: BCA (Honours with Research)

Those who successfully complete BCA (Honours) may continue with MCA, and complete it within one more year, earning the Master's Degree in Computer Applications (MCA).

Eligibility Criteria

1. Passed Higher Secondary School Leaving Examination (or equivalent) in any stream with 50% in the aggregate. Those who have pursued Mathematics at Class XII will have an advantage.
2. Candidates must appear for a personal interview

Number of Seats

60 seats

Admission Procedure

Course Structure and Syllabus

Available on our website www.dbuniversity.ac.in

Master of Computer Applications (MCA)

Master of Computer Applications is a 2-year (4-semester) AICTE approved (the approval has been extended via AICTE Letter F.No. Eastern/1-43657771725/2024/EOA dated 21 May 2024) Master's Degree in applied computer science. It aims at producing trained professionals who can successfully meet the growing demands of the Information Technology industry. The core focus of the course is on computer network and internet technologies, application programming, system level programming and database management. The electives in the later semesters provide for progressive specialization in chosen areas. Adequate emphasis is given to the Open Source Software platform.

Number of Seats

60 seats

Eligibility Criteria

1. Graduation in Bachelor of Computer Applications / BTech Computer Science Engineering / B.Sc / B.Com with a minimum of 50% of the aggregate marks
2. Pass marks in Mathematics or equivalent at the +2 or graduation level
3. Candidates must appear for an Entrance Test – Don Bosco University Post Graduate Entrance Test (DBU-PGET) for MCA and a Personal Interview
4. **Provisional Admission:** Applicants who have not yet obtained their Bachelor's degree also may apply for admission. Such candidates will be offered provisional admission until they furnish evidence of fulfilling the eligibility criteria stated in (1) and (2) within 3 months of the commencement of the programme.

Admission Procedure

Integrated MCA (BCA+MCA)

The Integrated MCA is a comprehensive, full-time 5-year (10 semesters) program. The curriculum is crafted to thoroughly educate and prepare students for a successful career in the software industry. It also encourages entrepreneurial spirit by providing students with essential business knowledge. Additionally, the program emphasizes research, allowing students to explore innovative solutions and contribute to advancements in the field.

Number of Seats

60 seats

Eligibility Criteria

1. Passed Higher Secondary School Leaving Examination (or equivalent) in any stream with 50% in the aggregate. Those who have pursued Mathematics at Class XII will have an advantage
2. Candidates must appear for an Entrance Test – Don Bosco University Post Graduate Entrance Test (DBU-PGET) for Integrated MCA and a Personal Interview

Master of Technology (MTech)

The 2-year AICTE approved (the approval has been extended via AICTE Letter F.No. Eastern/1-43657771725/2024/EOA dated 21 May 2024)) MTech programme is currently offered in the disciplines of Civil Engineering, Computer Science and Engineering, Electronics and Communication Engineering, and Electrical and Electronics Engineering. These programmes are structured with very strong components of research and project work in emerging areas of the discipline. For research and project work, there are collaborative arrangements with Asian Institute of Technology (Bangkok), CROCCS (Bangkok) and Bangkok University.

Areas of Specialisation

Civil Engineering

- Construction Engineering and Management

Computer Science and Engineering

- Data Science
- Internet of Things
- Information Security

Electronics and Communication Engineering

- Embedded System and Communication
- Signal Processing

Electrical and Electronics Engineering

- Power Systems
- Control Systems

Number of Seats

12 seats in each programme

Eligibility Criteria

Graduation or Post Graduation in an appropriate area of Engineering / Science with at least 60% marks in the qualifying Examination.

Admission Procedure

Vide page 67

Location

Azara Campus

Course Structure and Syllabus

Courses on the Anvil

The University is launching the following programmes as a part of its Strategic Development Plan as per the guidelines laid out in the University's Ordinance published in the Assam Gazette dated 16th August 2011.

- B.Tech and M.Tech Bioengineering
- B.Tech and M.Tech Environmental Engineering
- B.Tech and M.Tech Energy Technology
- B.Tech and M.Tech Data Science
- B.Tech and M.Tech Information Security

SCHOOL OF FUNDAMENTAL AND APPLIED SCIENCES

Intensive insistence on mastery of the domain in theory and praxis
Proactive backing to bring creative ideas to fruition in the fabrication labs
Live projects as pre-eminent learning tools
Rigorous internships / work experience in industries and universities, national and international

Bachelor of Science (BSc)

Bachelor of Science with honours in Physics, Chemistry and Mathematics offered by the University are a 4-year (8 Semester) programmes, leading to the award of the degree of Bachelor of Science with honours. These degrees are designed to equip the aspirants with the fundamentals in Physics, Chemistry and Mathematics and application of the same in the various applied fields. Students have a choice of selecting Minor Programmes from other disciplines. After the completion of the programme, a student will be able to qualify for graduate level examinations like JAM/JEST and competitive examinations for job as well as entrance examinations to pursue higher studies in the respective areas.

Number of Seats

20 seats in each programme

Eligibility Criteria

Passed Higher Secondary School Leaving Examination (or equivalent) with 50% of the aggregate of Physics, Chemistry and Mathematics.

Admission Procedure

Vide page 67

Location

Tapesia Campus

BSc (Honours) in Chemistry

This Graduate programme in Chemistry provides the students both fundamental and advanced concept of Chemistry to enhance their skills which in turn will help them to pursue their goals in academics as well as in industrial sectors. The Bachelor degree programme focuses on the concept of sustainable chemistry to make the students responsible towards the environment.

Number of Seats

20 seats

Eligibility Criteria

Passed Higher Secondary School Leaving Examination (or equivalent) with 50% of the aggregate of Physics, Chemistry and Mathematics.

BSc (Honours) in Physics

This four-year degree course deals with the fundamentals of physics, a subject that offers a working knowledge of the universe. This course will provide the requisite theoretical and practical knowledge in multiple aspects of physics such as mechanics, electromagnetism, mathematical physics, wave theory, thermodynamics, electronics, statistical mechanics, quantum mechanics, nuclear physics, nanophysics and astronomy to name a few. This should also enable a physics graduate not only to pursue higher studies, but also to face competitive examinations such as IIT JAM, NEST, CUCET etc.

Number of Seats

20 seats

Eligibility Criteria

Passed Higher Secondary School Leaving Examination (or equivalent) with 50% of the aggregate of Physics, Chemistry and Mathematics.

Admission Procedure

Vide page 67

Tapesia Campus

Course Structure and Syllabus

Available on our website www.dbuniversity.ac.in

BSc (Honours) in Mathematics

The BSc (Honours) Programme in Mathematics at Assam Don Bosco University has been designed to help the students in the development of a strong foundation of mathematics along with analytical, quantitative, and computational skills through both theoretical and practical demonstration. The programme includes mathematical practicals based on software like Mathematica, Mat Lab, Sage Math, etc. Apart from these, the department is different in offering a value-added course on different applied fields to facilitate the student's exposure to other applied fields of mathematical sciences.

This course builds up a knowledge of analytical skills and purposeful abilities and competencies in Mathematics along with other soft skills. The program deals with the comprehension of mathematical theories that are applied to general concepts outside the extent of theoretical mathematics.

After achieving B.Sc. (Honours) degree in Mathematics, candidates can go for masters in Mathematics, Computer Application, Actuarial Science, research assistant, scientist, Business Administration, Statistics, and operational research apart from seeking employment in the banking and insurance sectors and the Civil & Statistical services.

Number of Seats

20 seats

Eligibility Criteria

Passed Higher Secondary School Leaving Examination (or equivalent) with 50% of the aggregate of Physics, Chemistry and Mathematics.

Admission Procedure

Master of Science (MSc)

MSc Programmes in Physics, Chemistry, Mathematics offered by the University are a 2-year (4-Semester) programmes, leading to the award of the degree of Master of Science. These programmes are structured with strong components of research and project work in the emerging areas of the respective disciplines.

Number of Seats

40 seats in each programme

Eligibility

1. Graduation in Science with 50% of the aggregate and Physics/Chemistry/Mathematics as a subject. Candidates with honours in Physics/Chemistry/Mathematics will have an advantage
2. **Provisional Admission:** Applicants who have not yet obtained their Bachelor's Degree also may apply for admission. Such candidates would be offered provisional admission until they furnish evidence of fulfilling the eligibility criterion stated in (1), within 3 months of the commencement of the programme.

Admission Procedure

Vide page 67

Location

Tapesia Campus

MSc in Physics

This 2-year programme covers nearly every theme in physics from elementary particles to the largest super clusters of galaxies. The curriculum also includes many advanced disciplines of physics such as astro physics, particle physics, plasma physics, Nanophysics and Electronics. This alone should enable a physics graduate of Don Bosco University to face with confidence all competitive examinations like NET, SLET, GATE, etc

Areas of Specialisation

- Astrophysics
- Electronics
- High Energy Physics
- Nanophysics
- Plasma Physics

Course Structure and Syllabus

Available on our website www.dbuniversity.ac.in

MSc in Chemistry

The Postgraduate Programme in Chemistry (MSc) at Don Bosco University includes basic and advanced concepts of chemical structures and processes, basic research into the interplay of bio-sciences and the material world, industrial research and applications, delving into the intricacies of all known matter (physical, organic and inorganic) for employing it in the best interests of humanity. It is designed to equip our graduates with the in-depth theoretical and practical knowledge they need to pursue careers in a wide array of academic and industrial settings.

Areas of Specialisation

- Organic Chemistry
- Inorganic Chemistry
- Physical Chemistry

Course Structure and Syllabus

Available on our website www.dbuniversity.ac.in

MSc in Mathematics

The Post-Graduate Programme in Mathematics (MSc Mathematics) seeks to prepare students for a career in teaching and research. Given the immense importance of the various state/national level examinations like CSIR NET/GATE/SET, the first year courses are designed to help students qualify for such examinations. The second year specialization courses introduce application of Mathematics and topics relating to emerging research areas. The project work provides the students with fundamental skills of research in Mathematics.

Areas of Specialisation

- Theoretical Mathematics
- Applicable Mathematics
- Computational Mathematics

Course Structure and Syllabus

Available on our website www.dbuniversity.ac.in

SCHOOL OF LIFE SCIENCES

*Wide exposure to theory and skills undergirding the field of Biosciences
Intensive laboratory exercises and projects attuned to industrial developments
Exposure to emerging areas of research in Biosciences in the country and abroad
Industrial visits/internships/interactions with experts on live industrial projects*

Bachelor of Science (BSc)

BSc (Honours) Programme in Botany, Zoology, Biotechnology and Microbiology offered by the University are a 4-year (8-Semester) programmes leading to the award of the degree in Bachelor of Science.

Number of Seats

20 Seats in each programme

Eligibility

Passed Higher Secondary School Leaving Examination (or equivalent) with 50% of the aggregate of Botany, Zoology, Chemistry and Biotechnology

Admission Procedure

Vide page 67

Location

Tapesia Campus

BSc (Honours) in Botany

Botany is the scientific study of plants and other organisms like algae and fungi. This four-year degree course provides scientific knowledge and hands-on training in several aspects of plant science including morphology, anatomy, embryology, taxonomy, genetics, evolution, ecology, physiology, biochemistry, pathology, biotechnology, microbiology, biostatistics and bioinformatics. Additionally, the University campus has a rich diversity of flora thereby making it suitable for study of plants in their natural habitat. A graduate in Botany can turn out to be an environmentalist, taxonomist, biochemist, molecular biologist, plant pathologist to name a few. Furthermore, the course also opens up avenues for research in various fields of Plant Science.

Course Structure and Syllabus

Available on our website www.dbuniversity.ac.in

BSc (Honours) in Zoology

This 4-year graduate programme in Zoology is offered to meet current needs of aspiring Zoologist to help them gain an in-depth knowledge of physiological mechanisms in animal kingdom and development to the society. This programme includes recent developments in Zoology to meet the present day needs of Academic and Research, Institutions and Industries; and Entrepreneurship in the field of Sericulture, Apiculture, Fish farming, Wildlife tourism and Photography, Ecotourism, etc.

Course Structure and Syllabus

Available on our website www.dbuniversity.ac.in

BSc (Honours) in Biotechnology

This four-year undergraduate programme in Biotechnology focuses on developing strong conceptual understanding and practical skills in modern biological sciences and their technological applications. Students develop skills in experimental design, analytical techniques, scientific documentation and problem solving related to health, agriculture, environment and industrial biotechnology. Upon completion, graduates are equipped with technical and research skills required for biotechnology industries, laboratories and higher studies in life sciences.

Course Structure and Syllabus

Available on our website www.dbuniversity.ac.in

BSc (Honours) in Microbiology

This four-year undergraduate programme in Microbiology emphasizes hands-on training in practical microbiology including microbial identification, microbiological investigation and laboratory analysis. Students develop skills in fermentation processes, mushroom cultivation, food and environmental microbiology, and clinical laboratory techniques. The curriculum also strengthens competencies in data interpretation, scientific documentation and research-based problem solving. Upon completion, graduates are well equipped for careers in clinical and diagnostic laboratories, food and pharmaceutical industries, environmental monitoring, public health sectors and research in microbiology and related life sciences.

Course Structure and Syllabus

Available on our website www.dbuniversity.ac.in

Master of Science (MSc)

MSc Programmes in Biotechnology, Biochemistry, Botany, Microbiology and Zoology offered by the University are a 2-year (4-Semester) programmes leading to the award of the degree of Master of Science.

Number of Seats

15 seats each in Biotechnology, Biochemistry and Microbiology

40 seats each in Botany and Zoology

Eligibility

1. Graduation in any area of Life Sciences with 60% (50% for Botany) of the aggregate and Chemistry as a subject. Those who have a background in Biotechnology/Biochemistry/Botany/Microbiology/ Zoology at Bachelor's Degree will have an advantage.
2. **Provisional Admission:** Applicants who have not yet obtained their Bachelor's Degree also may apply for admission. Such candidates would be offered provisional admission until they furnish evidence of fulfilling the eligibility criterion stated in (1) above within 3 months of the commencement of the programme.

Admission Procedure

MSc in Biotechnology

This postgraduate programme in Biotechnology provides training in modern biological sciences and their applications. The course builds foundations in cell and molecular biology, genetics, genetic engineering, immunology and bioprocess engineering, while emphasizing practical laboratory skills and molecular techniques. Students gain hands-on experience in experimental design, microbial and molecular analysis, and biotechnological applications in plant, animal, medical and environmental systems.

The programme develops competencies in bioinformatics, genomics, nanobiotechnology and pharmaceutical biotechnology, with training in herbal drug discovery and bioengineering. Through laboratory work, internships and research, students acquire analytical, technical and research skills required for careers in biotechnology industries, research laboratories, pharmaceuticals, agriculture and environmental biotechnology.

Course Structure and Syllabus

Available on our website www.dbuniversity.ac.in

MSc in Biochemistry

This postgraduate programme in Biochemistry provides advanced knowledge of biomolecules and biochemical processes governing living systems. The course combines theoretical understanding with laboratory training in biochemical techniques, molecular biology, immunology, metabolism and clinical biochemistry. Students develop analytical skills in experimental design, instrumentation, data interpretation and scientific documentation through practical work and research projects.

The programme covers medical and industrial biochemistry, bioinformatics, genomics, pharmacology and environmental interactions. Through skill development and dissertation research, graduates gain competence for careers in research laboratories, pharmaceutical and biotechnology industries, clinical diagnostics, food and health sectors, and higher studies in biochemical and life science research.

Course Structure and Syllabus

Available on our website www.dbuniversity.ac.in

MSc in Botany

Masters in Botany at Don Bosco University offers unique opportunities for research and specializations in the cutting-edge Botanical technologies. The University's campus is rich with flora and fauna which makes it a perfect place to immerse in Botanical studies - to explore various plants right from single celled algae to the giant banyan trees, toxic mushrooms to medicinal plants and further develop scientific curiosity and knowledge.

Intensive laboratory exercises and exposure to field study and hands on experience in tissue culture, biofertilizer technology, plant pathology and protection will prepare a Master Degree student in Botany at Don Bosco University to work in various government departments and private companies including environment and wildlife conservation, agriculture, horticulture, ecotourism, forestry, food technology, biotechnological firms and pharmaceutical companies.

Course Structure and Syllabus

Available on our website www.dbuniversity.ac.in

MSc in Microbiology

This postgraduate programme in Microbiology provides advanced knowledge and training in microorganisms and their applications in health, agriculture, environment and industry. The course emphasizes laboratory skills in microbial isolation, identification and characterization, with techniques in bacteriology, mycology, virology and microbial genetics. Students gain experience in immunological assays, clinical microbiology, fermentation processes, mushroom cultivation and microbial analysis related to food, dairy and environmental systems.

The programme develops competencies in molecular and bioinformatic tools, microbial biotechnology and research methodology through laboratory work and research. Graduates acquire skills in microbiological investigation, data analysis and scientific documentation, preparing them for entrepreneurship and careers in diagnostic laboratories, pharmaceutical and food industries, environmental monitoring, agriculture and advanced research in microbiology.

Course Structure and Syllabus

Available on our website www.dbuniversity.ac.in

MSc in Zoology

Master of Science in Zoology at Don Bosco University is designed to equip the students with indepth understanding of the subject with opportunity to specialize in Entomology and Environmental Biology, Fishery Science, Animal Ecology and Wildlife Biology, and Cell and Molecular Biology.

These specializations are being offered keeping in mind the ever rising demand for specialists in public health, wildlife management, pharmaceutical companies, environmental impact assessment studies, food processing industries, agriculture and animal husbandry, and well informed researchers and educators. In addition to the core courses, students will be trained in Project Cycle Management, Journalism and Photography, and Classroom Management skills.

Integrated Teacher Education Programme (ITEP)

Integrated Teacher Education Program (ITEP) is expected to address the long-standing issues of quality and accessibility in teacher education. Launched under the National Education Policy (NEP) 2020, this four-year undergraduate program integrates a bachelor's degree with teacher training, effectively streamlining the journey for aspiring educators. It combines theoretical and practical knowledge, equipping students with the requisite skills to become proficient teachers.

The program emphasizes a multidisciplinary approach, fostering expertise in pedagogy, subject knowledge, and values-based education while also promoting cultural awareness and inclusivity. Furthermore, the program includes extensive internships and school-based experiences, ensuring that graduates are well-prepared for the challenges of real-world classrooms. By developing skilled, reflective, and empathetic educators, the ITEP has the potential to significantly transform the education landscape in India, enabling schools to provide holistic and impactful learning experiences to their students.

- Entrance test and/or interview to be conducted by the University.

Thrust Areas for Research

- Biochemistry
- Biotechnology
- Botany
- Chemical Sciences
- Civil Engineering
- Commerce
- Comparative Religion
- Computer Applications
- Computer Science and Engineering
- Economics
- Education
- Electrical and Electronics Engineering
- Electronics and Communication Engineering
- Language Studies
- Management
- Mass Communication
- Mathematics
- Mechanical Engineering
- Microbiology
- North East India Studies
- Philosophy
- Public Administration
- Physics
- Psychology and Counselling
- Social Work
- Zoology

The admission process for the PhD programmes generally starts in December of every year. A separate notification and prospectus will be issued, which candidates can access from www.dbuniversity.ac.in.

CENTRE FOR DISTANCE & ONLINE EDUCATION

*State of the art online virtual classroom at your doorsteps
Designed for the working professionals and their convenience
Globally accepted and approved university courses
... for career advancement, personal growth, self-assurance.*

The University offers two Online education programmes approved by UGC-DEB Approval:

1. Master of Business Administration (MBA)
2. Master of Computer Applications (MCA)
3. Master of Public Administration
4. Bachelor of Computer Applications
5. Bachelor of Business Administration

The online education portal of the university is <https://dbuniversity.ac.in/dbucdoe/>.

ADMISSION PROCEDURE

1. Obtain our Prospectus

The Prospectus is available at www.dbuniversity.ac.in, free of cost in the footer section, under Admissions.

2. Apply

- Visit the online application portal of the University (www.dbuniversity.ac.in/a), register using a valid e-mail id. Follow the “Steps for Application” given on the portal and enter the required information.
- After registration, check your email and validate your email id. Visit the Application Portal again and log in.
- Select the programme you are applying for and fill in the form.
- Once you submit your application form, you will find a payment link.
- The Application Fee is Rs 600. Payment can be made using Netbanking, UPI (PayTM / GooglePay / BHIM, etc) or NEFT to the University account.

Bank: Axis Bank

Branch: Khanapara

Account Holder’s Name: Assam Don Bosco

University A/C Don Bosco Society

IFSC: UTIB0001297

Ac. No.: 922010003253218

- Once you make a payment, the Admission Office will schedule entrance test/interview for you and the details will be informed to you personally.

3. Take Admission

All candidates are required to appear for an Entrance Test and/or a Personal Interview.

- Please note that Entrance Test and Personal Interview will be conducted on the same day.
- Admission will be given on the basis of past academic record and performance at the Entrance Test / Personal Interview.
- At the time of admission, the candidates must produce
 1. Originals of marksheets for verification
 2. Proof of date of birth
 3. Caste/Tribe/ Community certificate if applicable
 4. Student health form duly filled

4. Pay Fees

Candidates who are qualified for admission are to pay the admission fees (non-refundable) before 5:00 pm on the day of admission. If this is not done, the offer of admission will stand cancelled. The balance fees payable are to be paid within 7 days. The payment may be made in the following modes (listed in order of increasing transaction charges:

*Note:

- Reservation of Hostel seat can be done only after a payment of the first semester fee.
- The hostel fees for the Azara Campus are inclusive of room charges and food at the Campus Canteen located near the hostels.
- The hostel fees for the Tapesia Campus include only the room charges. A Food Court, strategically placed at the centre of the residential area, and Bosco Café close to the academic block serve meals and snacks. Students can avail of economically priced meals.
- Hostel registration is done each semester, however, admission fee is charged only once. For details of Hostel rules and regulations, consult Hostel Brochure.

Notes

- University Registration Fees and Examination Fees are payable as prescribed from time to time.
- Convocation Fee is a one time payment at the time of graduation.
- The Caution Deposit is refundable only while leaving the University on completion of the programme, after adjustment of dues, if any.

Refund of Fees

- If a candidate applies for withdrawal and refund of fees before the commencement of classes, all fees paid shall be refunded after a deduction of Rs. 1000.00 towards administrative expenses. Applications for refund of fees shall not be entertained after the commencement of classes.
- If a candidate who has been given provisional admission is unable to fulfill the eligibility criteria by 31 October of the year of admission, all fees paid shall be refunded after a pro-rata deduction of Tuition Fees and Annual Fees.

Bank Loans

The University makes all efforts to facilitate bank loans for candidates desiring to avail of this facility. (For further details log on to: <http://www.ugc.ac.in/page/Educational-Loan.aspx>)

SCHOLARSHIP SCHEMES

Assam Don Bosco University offers the following Scholarship Schemes to encourage meritorious students to avail of the excellent academic ambience of the University as well as to ensure equitable access to higher education for economically weaker sections of society and persons with disability/ies.

Merit Scholarship

Sports rep in NE = Sports persons who have represented any State of NE India in any sports.

Apart from the above Merit Scholarship, Assam Don Bosco University offers few other scholarships to ensure equity in access to the programmes it offers. The following tables give details of the different scholarships:

Means Scholarship*

Programmes	Number of Scholarships	Amount per Semester	Eligibility
B.Tech	4	10,000	Gross family income less than 2,00,000.00 per annum (to be certified by the Panchayat President or equivalent) fulfilling minimum eligibility criteria of the programme
BA, BSc, BCom, BBA, BCA	8	10,000	
MTech, MA, MSc, MCom, MCA	4	10,000	

Scholarship for Physically Challenged*

Programme(s)	Eligibility	Amount per Semester
All Graduate and Post Graduate Programmes at the University	<ol style="list-style-type: none"> Holding a Certificate of Disability from Government of India Not receiving Scholarship from other sources 	10,000

*These scholarships are awarded for a semester at a time. The awardees will continue to get this scholarship in subsequent semesters, provided they do not have any 'F' graded course in the previous semester. If the awardee has 'F' graded courses in any two semesters, the scholarship will be stopped.

With the help of philanthropic agencies, the University facilitates complete tuition fee support for disabled students from the North East having a minimum of 40% disability (disability certificate is mandatory), and with family income below 6 Lakh per annum. Every effort will be made to continue such financial support.

Performance Incentive Scholarship and Other Scholarships

Name of the Scholarship	Eligibility	Amount
Semester Topper Award	Topper in the Semester Examinations	1,000
Performance Incentive Scholarship	A student who improve their last Semester SGPA by 0.3 or more and has no backpapers (no F, X, NP grades in the previous semesters)	1,000
Scholarship for Don Bosco School Students	Students who graduated Class XII from Don Bosco Schools who joined any Graduate Programme in the University	5000
Progression Scholarship	Scholarship amounting to admission fee for the first 50 ADBU students - restricted to a maximum of 2 students per PG Programme	18,000

PHD

Faculty and Staff members of Assam Don Bosco University pursuing PHD studies at ADBU are given a research assistance (seed money) of Rs. 10,000 annually.

Please Note

- Merit Scholarships will be awarded at the time of admission on a first-come first-served basis subsequent to an application for the same by eligible candidates.
- Applications for Means Scholarships will be invited by the Chairperson of the Scholarship Committee within a month of the starting of the Academic Year.

Internship & Joint Degree Programmes with Universities in Taiwan

Our University is an approved Taiwan Education Cultural Centre. Through this centre, our students can access scholarship assisted Internships and Joint degree programmes at Taiwan Universities. We have signed MoUs with 11 Taiwan Universities. Students pursuing their UG and PG programmes in Science, Technology, Engineering, Mathematics and Finance related subjects can avail sponsored internships and pursue one or two years of their studies in Taiwan Universities and get joint degrees. The selected students will be sponsored through Taiwan Scholarships.

Additional opportunities:

- Both PG and UG students pursuing their studies in key science and technology fields including humanities and social sciences can avail NTSC scholarship of USD 1,000 per month for a maximum of 3 months in an academic year. This will cover all their cost in Taiwan.
- Our students can apply for TEEP, a short term professional internship project from one to six months. It is a scholarship assisted programme.
- HUAYU (Mandarin) Enrichment Scholarship with monthly stipend of Rs. 65,000/- for short term Mandarin Language learning. The duration of scholarship is 3 months, 6 months or 1 year start the course from September 1st of Year to August 31st of the next year. For this, one has to pass TOCFL test.
- A group of 15 students can learn mandarin and other courses for 2-4 weeks in Taiwan Universities and get credits and tuition fee waiver from Taiwan Universities.
- Besides these, our students get special offers at the 11 universities and Foxconn Company through our MoU initiated proStudents are encouraged to learn Mandarin at a subsidized fee, as it gives them bigger opportunities for their educational and career progression in Taiwan and elsewhere.

ABOUT DON BOSCO UNIVERSITY

Don Bosco Society

The sponsoring body, the Don Bosco Society, a religious order of the Catholic Church established by St. John Bosco, is actively engaged in educational and social services in 132 countries. Its global network of educational and social service organizations include 15 universities, 96 institutions of higher education and thousands of schools and social development centers, catering preferentially to the less privileged and marginalized sections of society.

In India, the Society offers its services through 41 colleges, which include 3 engineering colleges, 125 technical schools, and a large network of high schools, agricultural training centers, literacy centers, shelters for street children and relief and rehabilitation operations, covering the entire spectrum of social development.

Vision of Don Bosco University

We strive to mould intellectually competent, morally upright, socially committed and spiritually inspired persons at the service of India and the world.

We want our graduates to be dependable human beings.

We aim at excellence in the teaching, learning and evaluation process, in research, consultancy and extension programmes.

We ensure a continuous and on-going evaluation of every process in the system.

University Coat of Arms

The spirit of the University has been encapsulated in its emblem which has five distinct elements:

1. "The Cross" signifying its underlying Christian inspiration;
2. "The Profile of St. John Bosco" to denote its distinctive educational philosophy;
3. "The Rays of the Rising Sun" standing for its dynamism and commitment to society;
4. "The Book" emphasizing excellence in study and research; and,
5. The motto "Carpe Diem" which translates as "Seize the Day", challenging every Bosconian to grasp the opportunities presented by each new day and attain "life in its fullness."

Our Campuses

We are located at Guwahati, the gateway to North East India, in four campuses.

- **The Tapesia Campus (main campus)**, nestled in the serene Tapesia Gardens, off National Highway 37, is spread over 274 acres of undulating hills. A state-of-the-art campus with a capacity to house 5000 students and staff, an uplifting confluence of natural beauty and architectural excellence, currently houses the School of Humanities and Social Sciences, School of Fundamental and Applied Sciences, School of Life Sciences and School of Professional Studies.
- **The Azara Campus**, off the Airport Road, set in an environment of beautifully laid out gardens and lush green lawns houses the School of Technology.
- **The Kharguli Campus**, situated in the Ramsai Hills, on the majestic Brahmaputra, is an architectural marvel and houses the School of Commerce and Management as well as conducts non formal vocational courses.

DON BOSCO AMBIANCE

Infrastructure

Well-equipped classrooms (with LCD projectors and audio systems), workshops, laboratories, canteens, coffee shops and auditoriums contribute to the creation of a comfortable and memorable learning experience. 'Book Cafe' provides text books (used and new), reference books, buy back and rental facilities, and a corner for quiet browsing through a variety of relevant titles. All reprographic and printing facilities as well as binding and laminating are taken care of at the printing corner.

Learning Resources

Well-stocked, spacious and computerized libraries beckon the students to scholarship and research. The University subscribes to a number of e-resources such as IEEE ASPP-POP, Elsevier ScienceDirect, JSTOR, EBSCO, etc. The University also has a repository of NPTEL lectures, videos and other learning material.

IT Facilities

The University provides its students with state of the art, tastefully furnished computer labs, with over 500 computers networked under Linux; a computing centre with Internet enabled computers to serve the day-to-day computing needs of students; two language labs equipped with student consoles and language lab software and digitized audio and video material to develop interactive language skills. Broad-band access with static IP addresses takes care of internet browsing requirements. The campuses are wi-fi enabled. While the University promotes the use of Free and Open Source Software, Legal Microsoft software is available to the staff and students under MSDN Academic Alliance.

High Speed Internet Connectivity and Link to National Knowledge Network (NKN)

Don Bosco University enjoys a high speed 1Gbps internet bandwidth access accorded to universities coming under the NKN network. This massive bandwidth links the university to the NKN network of institutions, providing access to a large number of libraries, on-line lectures, archived lectures of various IITs, virtual classrooms and many more facilities available under NKN.

ERP

An ERP (Enterprise Resource Planning) implementation has ensured that all processes within the university are computerised and information readily accessible to authorised users (administrators, faculty, students and parents). Right from the application stage up to the time one leaves the university one can monitor one's progress and access one's records from the ERP system.

Entrepreneurship Development and Incubation Centre (EDIC)

The University has set up an 'Entrepreneurship Development and Incubation Centre' that will benefit the students of the university as well as the general public, with the active involvement of Entrepreneurship Development Institute of India (EDII) Ahmadabad, industrial houses and venture capital funding agencies. The Centre will provide an enabling atmosphere to the would-be entrepreneur to realize his/her dreams through a variety of workshops, training programmes and handholding activities.

Counselling and Campus Ministry

The University gives great importance to counselling as evidenced by the presence of counsellors in the campuses. The campus ministry programme of the university ensures the holistic development of the person - providing a divine dimension to one's life, promoting the personality development of each student, organizing group activities and student clubs, ensuring the social involvement of students and coordinating with the placement cell to groom students for their future careers. There is a Chapel (prayer hall) in each campus into which one can withdraw for reflection and meditation.

Training and Placement Office

The right placement for each student is a primary concern of our University. To achieve this dedicated placement cells work towards recognizing and developing the core competencies and enhancing interpersonal and communication skills of every student. The national and international linkages of Assam Don Bosco University and its curriculum which is designed to meet the changing demands of the industry, give the students of the university an advantage in the employment market. Details of the training and placement activities of the University are given on page 56.

Health Services

The health services at the University are supported by 'Project CHILD' - an NGO formed by a group of medical doctors. Qualified nurses are on duty during class hours for First Aid and emergency care. The nurse's duty room is 'Telemedicine' enabled to facilitate a duty doctor from the city centre clinic to observe visually the patient and instruct the nurse about the proper action to be taken. In serious cases, an ambulance stationed at the university will take the affected persons for professional medical treatment. Annual medical camps provide free eye, dental, ENT and general check-ups. Life-style management and life-savers programmes are conducted regularly. Individual health records are also maintained.

Journals

To instill an atmosphere of research, academic enrichment and publication among the faculty and students of the University, the University publishes five International Journals - *Journal of Northeast Indian Cultures*, *ADBU Journal of En-*

gineering Technology, The Journal of Development Practice, Journal of Applied and Fundamental Sciences and Journal of Management in Practice. The online journals are available at <http://journals.dbuniversity.ac.in>

The School of Technology publishes an annual College Journal – CREAZONE – which serves as an expression of the technical and creative abilities of the students of the School. The School of Commerce and Management publishes a six-monthly business magazine – BRAHMAPUTRA – the first of its type in the North East which focuses on business principles, environment and opportunities in North East India.

Hostels

At the Azara campus, the University has two hostels, one for men (Carreño Hall) and the other for women (Ferrando Hall) to accommodate about 500 students - 300 seats for men and 200 for women. Besides offering to its inmates opportunities for sports facilities and cultural and recreational expression, these hostels offer a homely and safe atmosphere for study, growth and integral development. These hostels are wi-fi enabled and have back-up power supply. Contact: Warden, Carreño Hall (Men's Hostel) – 9378 105 493 Warden Ferrando Hall (Women's Hostel) – 9435554787.

Once the hostel seats are full, the University will guide the students to other suitable hostels. Azara being a residential suburb of Guwahati, paying guest accommodations are available at very reasonable rates close to the university

At the Kharguli Campus, hostel facilities are available for all students. The Tapesia Campus is a residential campus and well-appointed hostel facilities are available for all students there. Contact Superintendent of Hostels: +91 81340 12348

Transport

The University Campuses chartered buses to ply between the city and the campuses daily. All campuses are very well connected by city buses, and trekker taxi services.

Teaching, Learning and Evaluation

At the University, lectures, tutorials and lab work are augmented by periodic seminars, symposia, field work, rural practicum, guest lectures and workshops which provide a more comprehensive view of the subject than mere lecture methodology. Interface with industry and interaction with practicing professionals are organized from time to time, to keep the students abreast of current developments giving them the 'knowledge-plus-experience' edge.

Evaluation of students is done continuously through class tests, quizzes, assignments, seminars, projects, mid-semester examinations and end-semester examinations. This evaluation procedure, designed to test the analytical and problem solving skills and creative thinking of students, focuses upon their performance throughout the year.

Language Lab

The university has set up a spacious computerised language lab to facilitate the learning of Spoken English among the students. A number of students who join the University are from vernacular medium educational background and, as such, they need to be taught afresh the English language. The Lab facilitates the teaching-learning of expressions in English in different contexts and the pronunciation of words, sentences and expressions with user-friendly audio-visual aids. It aims at enabling the students to learn and correct themselves so as to be able to communicate in English confidently with a reasonable fluency and clarity.

Links with IIT Bombay

The University has a close collaboration with IIT Bombay. Apart from eminent professors from IIT Bombay visiting ADBU and conducting workshops and giving lectures at conferences, ADBU collaborates actively in these projects of IIT Bombay - two of which are funded by MHRD through NMEICT (National Mission on Education through Information and Communication Technology).

Remote Centre of IIT Bombay : The School of Technology is a Remote Centre for IIT Bombay to participate in the project, "Empowerment of Students/Teachers through Synchronous & Asynchronous Instruction." Through this initiative of NMEICT, IIT Bombay conducts two-week training workshops for faculty of engineering institutions through live video-conferencing during the vacation period in summer and winter at the School of Technology. Apart from further enhancing the proficiency of our faculty and those of neighbouring engineering colleges, it will also facilitate frequent interaction between our students and the faculty at IIT Bombay.

Knowledge Partner for Spoken Tutorials: The Spoken Tutorials Project of IIT Bombay has made Assam Don Bosco University a Resource Centre working as their Knowledge Partner in Assam. The project is also a part of the NMEICT, MHRD to spread IT literacy all over India.

Talk to a Teacher Project : The School of Technology participates in the 'Talk to a Teacher Project' of NMEICT. Through this programme the students of the School of Technology have the opportunity to interact live via video conferencing with the faculty members of IIT Bombay every Thursday for one hour, ask questions and clarify doubts in the engineering disciplines.

Project Based Learning

Mini and major practical projects are included in the curriculum of BTECH, MTECH and MCA students to inculcate the habit of working with circuits, set-ups, software, models, etc. Students' progress in the projects is monitored by the faculty members by conducting seminars/presentations at regular intervals. Outstanding performance of our students in the national level competitions organized by various prestigious institutions bear witness to the effectiveness of our methods.

Anti-Ragging Cell

To curb the menace of ragging and to foster a friendly and family atmosphere on the campus, an anti-ragging cell has been set up in compliance with the UGC directives. All students and Parents/Guardians are required to file an anti-ragging affidavit online. (Website: www.antiragging.in/ helpline@antiragging.in / Toll free number: 1800-180-5522)

Industry-Academia Interaction Programmes

Guest lectures and interaction programs are organised regularly to give exposure to our students and to provide oppor-

tunity for them to listen to the professionals from industry. This helps them to become familiar with the opportunities, pitfalls, pressures and expectations of industry and thus prepare themselves for their careers.

College Association

An innovative venture of the university is a School-level association of representatives of various stake holders - students, staff, faculty and management. The association endeavours to take advantage of every opportunity to create an environment that nurtures life in its fullness for every member of the institutional community and set it on the path to excellence. It takes charge of organizing most of the co-curricular activities such as the annual festivals, quizzes, debates, competitions and social events – welcomes, farewells, etc

Student Clubs

There are a number of co-curricular and extra-curricular clubs in the university. At the School of Technology there are co-curricular clubs such as Coding Club, Web Designing Club, Circuitronics Club, Robotics Club and Basic Sciences club which conduct activities and competitions to hone the technical skills of the students. On the other hand, the extra-curricular clubs such as the Sports Club, Literary Club, Music and Dance Clubs, the Dramatics Club (Rangayan) and the Arts and Crafts Club aim at developing the other talents of the members and other students. All students are encouraged to be members of one co-curricular club and one extra-curricular club according to their inclinations and take active part in their activities.

The School of Commerce and Management promotes the clubs 'Prajwal', 'Reflectivz' and 'Ascenders' which encourage a variety of activities such as promotion of corporate social responsibility, enhancement of knowledge skills and creativity.

The Department of Social Work has initiated the "Social Work Students' Forum" which facilitates and channelizes all activities of Social Work Students, such as workshops, outreach programmes, lecture series, etc.

The Red Ribbon Club of the University spreads awareness about the dangers of AIDS among youth in general, and students in particular.

D'Verve, Boscosiad, University Week

D'Verve and Boscosiad are the annual sports and cultural extravaganza organised by the Azara Campus and Tapesia Campus respectively. Tournaments and competitions are conducted in a variety of sports, cultural and literary events. Apart from games, there are competitions in dance, music and singing, art, literary skills, etc. It's a time of fun and frolic and an opportunity for the students to showcase their talents in a variety of areas. The University Week brings together the winners for a grand finale.

JourNEI

JourNEI is an annual event organized by the School of Commerce and Management. North East India is rich in cultural diversity and efficient human resource base, but there is a huge gap between the potential and performance. With the purpose of bridging this gap and developing proper managerial talents, JourNEI is organised each year. An interactive platform for some of the sharpest minds from both academic and corporate world, JourNEI is an effort towards initiating stimulating events for students from various business schools from the region and beyond.

Prajyuktam

Prajyuktam – ‘Igniting Excellence’ – is the annual inter-college technical fest organised by the School of Technology. It is an opportunity to enter into a new horizon of excellence through the medium of technology. Through events such as Collision Grid, Labyrinth, Algo-Rhythm, Prototype, Frontpage and Interrobang, students of various higher educational institutions of Assam are invited to showcase their technological brilliance.

Library Collaborations

Assam Don Bosco University has entered into agreements with the best institutions of higher learning and social sciences research in the North East by which students of the University may use the libraries of these institutions for research and consultation. Some of these institutions are: IIT Guwahati, Gauhati University, North East Social Research Centre, Guwahati, Sacred Heart Theological College, Shillong, St. Anthony’s College, Shillong, Don Bosco College, Tura, Tezpur University, Tezpur.

ADBU Library is partially automated using Koha ILMS an integrated system connected to all the three campuses i.e., Azara, Tapesia & Kharguli, providing online access to catalogue & e-resources. The entire Library collections and e-resources are made available through OPAC (On-line Public Access Catalogue) that can be accessed from terminals in all campuses. Direct access to Science Direct and Jstor are included and the following links shared: DOAJ, INFLIBNET’s IR, OAJSE, PROJECT GUTENBERG, OPEN DOAR, NISCAIR OAJ, SHODHGANGA-ETD, BIO MED, ICSSR data service, eGyankosh, ARXIV, SSRN, UPSCFEVER, SSCL, e-PGPathshala, PDF Drive.

University Memberships & Collaborations

Assam Don Bosco University is a member of Associations of International Universities such as

- International Association of Universities (IAU)
- Association of Commonwealth Universities (ACU)
- Association of Indian Universities (AIU)
- Salesian University Institutions (IUS)

The University has established a web of collaborative arrangements with some of the outstanding universities and institutions around the world through Memorandums of Understanding (MoUs). Some of these prominent Universities and

Institutions are:

- Frankfurt University of Applied Sciences, Germany
- University College Dublin, Ireland
- De Sales University, Pennsylvania, USA
- Asian Institute of Technology, Bangkok, Thailand
- University of Bangkok, Thailand
- Usak University, Turkey
- Australian Catholic University, Melbourne
- National Quemoy University, Taiwan
- American University of Bangladesh, Dhaka, Bangladesh
- Strathmore University, Kenya
- Qatar University, Qatar
- National Quemoy University, Taiwan
- Asia University, Taiwan
- Kun Shan University Tainan, Taiwan
- National Chi Nan University, Taiwan
- National Kaohsiung University of Science And Technology, Taiwan
- Yuan Ze University, Taiwan
- Fu Jen Catholic University, Taiwan
- Cheng Shiu University, Taiwan
- Lunghwa University of Science and Technology, Taiwan
- M/S Foxconn Hon Hai Technology India Mega Development Private Limited
- National Institute of Electronics and Information Technology (NIELIT)
- European Council for Nuclear Research (CERN, in the process of signing)
- Association of Chartered Certified Accountants
- Google India Pvt. Ltd.
- Centre of Plasma Physics – Institute for Plasma Research, Nazirakhat, Assam
- Construction Skill Development Council, India
- Electronics Skill Council of India
- North Eastern Space Applications Centre, Department of Space, Govt. of India, Umiam, Meghalaya

Workshops and Conferences

Research and development is given great importance at the University. Workshops and conferences are organised every year to bring together researchers and eminent academicians to provide a common platform for healthy interaction and exchange of research outcomes. The students of the University have the envious opportunity of mingling with researchers and listening to eminent academicians on these occasions.

The following are some of the Conferences and Workshops organized by the University since the year 2020 till date:

Dates	Conference/Workshop	Resource Persons
7 March 2025	Webinar on "International Year on Quantum Science and Technology 2025 " on the occasion of National Science Day	Dr. S. K. Noor Alam, Assistant Professor, Aligarh Muslim University and Dr. Debmalya Das, Assistant Professor, Universita degli Studi di Bari, Italy
8 Mar 2025	One Day Skill Development Workshop on Screenplay Writing using: Final Draft -Professional Screenwriting Software	Kaushik Bhuyan, Assistant Professor, Department of Mass Communication
8 Mar 2025	Film Screening- Mrs. on Occasion of Women's Day	Film Club, Department of Mass Communication
8 Mar 2025	Invited Talk-International Women's Day	Dr. Chandita Baruah, Assistant Professor & Head, Dept. of Psychology.
9 Mar 2024	Theme: "Entrepreneurship & Startups in Pharma and Pharmacy Practice Encouraging Innovation, Incubation Centers and Pharmaceutical Startups."	PCI President, EC and CC Members of PCI, distinguished guests, industry delegates, scientists, academicians, and students.
10 Mar 2025	Artist Talk- Snezana Golubovic: My Private Alphabet	Prof. Snezana Golubovic, Frankfrut University of Applied Sciences, Germany
11-12 Mar 2025	Two day workshop on Self-Portrait through Performance & Photography	Prof. Snezana Golubovic, Frankfrut University of Applied Sciences, Germany
18 Mar 2025	One Day workshop on Graphic Design-From Design Principles to hands-on Project of ADBU Times	Dolly Banerjee, Teaching Assistant & PhD Research Scholar, Department of Mass Communication
18 Mar 2025	Career Counselling Talk	Dr. Joydeep Roy Choudhury, Co-founder, Technomedia Software Solutions Pvt. Ltd., Bengaluru
19 Mar 2025	One-day Workshop on "Graphic Designing and Visual Branding"	Mr. Ankit Dey, Mr. Rajib Phukon, Mr. Priyam Chakraborty, Mr. Mahjub Ahmed from The Assam AVGC-XR Development Association (AADA)
20 Mar 2025	Frog Day	Dr. Jayanta Gogoi, Arya Vidyapeeth College
21 Mar 2025	Mirchi Halla Bol Contest on the eve of IPL 2025 by Radio Mirchi	RJ Sushmita, Radio Mirchi
21 Mar 2025	Workshop on Financial Literacy	Ms. Sulekha Sen
21 Mar 2025	Workshop on "Exclusive Career Development"	Ms. Ishika Shakya, Associate Trainer, FACE Prep
21 Mar 2025	Event: Flower arrangement competition under the aegis of Biowizard Club (International Forest Day)	Faculties of Botany/Biowizard Club
21 Mar 2025	Event: Debate Competition under the aegis of Biowizard Club (International Forest Day)	Faculties of Botany/Biowizard Club
22 Mar 2025	One-day Awareness Workshop on UGC NET/SLET/JRF	Ms. Sabana Hussain, Boost a Brain Classes, Guwahati
24 Mar 2025	Extension Activity - Swaach Bharat Abhiyan	Ms. Soma Lyngdoh , Block 5, Assam Don Bosco University , Mr. Suprotim Saikia, Block 5, Assam Don Bosco University
26 Mar 2025	Training program and Community Engagement for humanities students, ADBU	Dr. T Premlata Devi
27 Mar 2025	Barriers to Effective Communications	Dr. Amarjit Deb
28 Mar 2025	Alumni Talk	Nithin Jerin George
28 Mar 2025	Symposium on Theoretical Physics (STP-25)	Prof. Debojit Sarma, Cotton University, Guwahati, Assam and Dr. Pulak Talukdar, S.B. Deorah college, Guwahati
1 Apr 2025	Awareness Programme in Management Entrance Tests	Mr. Amal Dev Sarma
2 April 2025	Understanding APSC/UPSC -Toppers' Blueprint for success	Mr. Rikki Lahkar- All India Rank 230 in UPSC2-23, Cleared APSC 2020, and 2023 b) Mr. Abhishek Lahkar, UPSC Cleared, Faculty SPM IAS Academy
14 May 2025	A workshop on "Career Paths and Higher Education Opportunities After BCA (India & Abroad)"	Dr. Pranab Das, Department of CA, ADBU

25 July 2025	Web 3.0 Tech	Expert trainers from IIT backgrounds delivered the sessions using a project-based learning approach, Ajay Katana, Co-Founder, Geeks of Gurukul
26 July 2025	Learning and Sharing Workshop on Child Rights for social workers of Snehelaya.	Dr Subhrangshu Dhar - HoD, Dept. of Social work, ADBU
1 August 2025	One-day Workshop on AIORI-2 Faculty Workshop Series Sponsored by IIFON and IEEE India Council IAYPC	Mr. Anupam Agrawal, Chair of IIFON, and Mr. Anand Raje, Co-founder and CTO of IIFON."
8 August 2025	A two-day workshop on Scientific Documentation Using LaTeX	Dr. Parag Bhattacharya, Assistant Professor, Rangapara College (Autonomous)
17 to 19 November 2025	three-day academic workshop on Social Analysis from 17th to 19th November 2025	Prof. Lukose P. J., former Head of the Department of Social Work, Assam Don Bosco University served as the resource person for the workshop.
8 April 2025	Career Boost: CV Design, Group Discussion, and Interview Mastery	Mr. Bikash Kalita, Ms. Nandini Borah, DBIM
9 April 2025	Air Pollution and The Right To Breathe Clean Air	Dr. Arup Kumar Mishra, Chairman, Pollution Control Board, Assam, Prof. Krishna Gopal Bhattacharyya, ADBU, Mr. Rajeeb Goswami, Green Chapter Foundation Advocate Anjunina Deb Choudhury Dr. Sanchayita Rajkhoa, Assistant Professor at Haflong Government College, Dr. Subhasish Roy, ADBU
14 April 2025	World Quantum Day 2025 at Assam Don Bosco University	Ms. Bina Roy, a renowned motivational speaker and corporate soft skill trainer.
28 April 2025	National Workshop on Basics of GIS and Remote Sensing Using Open-source Software	Dr. Victor Saikhom, Senior Scientist, NESAC Dr. P.L.N. Raju, ARSEC
29 April 2025	One day Workshop on Internship and Career after Graduation	Mr. Rishu Jha, Training and Placement Officer of Assam Don Bosco University.
29 April 2025	Workshop on Career Opportunities in Taiwan	Ms. Kuei-MI Li, Teacher & Coordinator Taiwan Education Center
30 April 2025	Generative AI Workshop	Dr. Parashjyoti Borah, Assistant Professor, IIIT Guwahati
06 May 2025	National Beverage Day	Suprotim Saikia, Assistant Professor at Assam Don Bosco University. Department of Hospitality and Hotel Administration
6 May 2025	Workshop on DNA Barcoding in Plants	Dr. Akan Das from AGT, Biosciences, Guwahati Park
9 May 2025	Research Talk	Ms. Gulizar Gulenay Zengin, a Ph.D. scholar in the Department of Mathematics at Usak University, Turkiye
9 May 2025	Seminar on 'India Post: Connecting hearts, Creating Careers'	Tridip Goswami
9 May 2025	Cyber Crime Awareness and Mitigation Strategies: Safeguarding the Digital Future	Shri Debajit Choudhury, Inspector of Police, CID, Assam Smt. Lipika Haloi, Sub-Inspector, CID, Assam
10 May 2025	Workshop on The Power of Ads	Ms. Chayanika Das, Assistant Professor, Department of Management, ADBU
13 May 2025	Innovate for Impact "An Introduction to Design Thinking and Social Innovation"	Richa Parashar, Director and Co-Founder ULPT Edu Services and Consultancy
14 May 2025	Innovative Thinking for Engineers	Mr. Arindom Bora, Asst. Prof, ADBU
15 May 2025	Research Talk	Dr. Hemanta Kalita, an esteemed academician from Vellore Institute of Technology (VIT)
15 May 2025	A Two-day Workshop on Hands-on Training on Data Analytics	Dr. Abdur Rashid Ahmed, Department of Economics, Assam Don Bosco University
15 May 2025	Viral Marketing	Mr. Amal Dev Sarma, ADBU
19 May 2025	Workshop Cum IoT Exhibition	Dr. Moushumi Barman, ADBU
19 May 2025	AI, ML, DL: From the Perspective of Researchers	Dr. Debajit Sharma, Assistant Professor, Department of Electronics and Telecommunication Engineering, Barak Valley Engineering College
23 May 2025	Leveraging AI/ML and Quantum Technologies for Next-Gen Wireless Communications & Networking	Dr. Sabyasachi Bhattacharyya, Assistant Professor, Barak Valley Engineering College.
24 May 2025	The Future of AI in the Health Domain	Dr. Mousumi Das, a Machine Learning Engineer at AI Health Highway
26 May 2025	Skill Enhancement for Group Activities	Prof. Joy Mathew, Principal, Don Bosco College, Kannur
26 May 2025	Three-day Workshop on Project Cycle Management-Phase II	Prof. Lukose PJ, Project Development Expert & Professor, BMC College, Kochi

28 May 2025	Confidence Over Fear 'A Soft Skill Booster'	Ms. Bina Roy, a renowned motivational speaker and corporate soft skill trainer.
28 May 2025	One Day Workshop On 'Empowering Women Through Financial Literacy: Knowledge for Independence and Skills for Growth'	Mr. Tridip Goswami and Dr. Nabasmita Bordoloi"
29 May 2025	Workshop on Blender	Mr Sashanka Gogoi
29 May 2025	Leadership Skills for Management Students	Dr. Amarjit Deb, Associate Professor, ADBU
30 May 2025	Invited Talk on Importance of AI and Data Science Internship Programs	Mr. Nilutpol Gogoi, Jio Institute
30 May 2025	Seminar on Emerging Fields in Mechanical Engineering	Dr. Buljit Buragohain and Dr. Dhrubajit Sarma, ADBU
03 June 2025	One day Workshop on Service Learning	Dr. Apil Uddin Ahmed and Dr Sujit Talukdar, ADBU
25 June 2025	2ND Term of National Workshop on GIS and Remote Sensing	Dr. Victor Saikhom, Scientist, NESAC, Dr Kaustubh Bhattacharyya, Assam Skill University, Dr. Bikramjit Goswami, Director IQAC, Dr. Abhijit Bora, Dr. Bamdeb Dey, Dr. Moushumi Braman, Dr. Parishmita Kashyap, Mr. Ankur Goswami, ADBU
25 June 2025	Invited Talk cum Workshop on Generative AI	Mr. Sanjeev Sarma, a leading expert in the field of AI systems integration and IoT development
23 July 2025	Health Awareness Program	Dr. Pushpita Singha
12 August 2025	Workshop on Role of Social Workers in Different Settings	Dr. Lavinia Lyngdoh, Dr. Pavei Kh, Dr. Tulika Talukdar and Dr. Kheyali Roy, ADBU
29 August 2025	Workshop on Research Proposal	Dr. Kheyli Roy, Miss Lavinia Adella Mary Lyngdoh, Dr. Pavei Kh Dr. Lojita Khaidem, Miss CiciwanbokSyiemlieh and Dr. Logita Khaidem from ADBU
30 August 2025	Lecture Series 4: The Power of Words- Mastering Communication for Professional Excellence	Dr. Fabian Wanbok Marbaniang, Assistant Professor, Department of English, Assam Don Bosco University
04 September 2025	Grooming & Etiquette Workshop	"Ms. Sahesta Parveen, a distinguished Course Trainer in Beauty & Wellness at North East Skill Centre under Assam Skill Development Mission, Manas Sarkar, HOD of the Department of Hospitality and Hotel Administration
08 September 2025	Capacity Building Workshop on Community Development Skills	Dr. Amarjit Deb, ADBU
11 September 2025	Debate Competition	Suprotim Saikia
11 September 2025	Cocktail Masterclass	Arnab Das, Assistant Sales Manager @ Nao Spirits & Beverages Pvt Ltd Guwahati, Assam, India Ms. Ankita Naha, from Nao Spirits
12 September 2025	One Day Workshop on Service Learning	Alinisha Boro
13 September 2025	IEEE Drive and Research Talk	Dr. Kuntal Deka, Designation: Assistant Professor, IIT Guwahati Dr. Chandan Kumar, Associate Professor, IIT Guwahati
16 September 2025	Personality Development Workshop	Dr. Gaurav Das, a distinguished expert in personality development
16 September 2025	Workshop on service learning	Ms. Alinisha Boro
24 September 2025	Lecture Series 5: Introduction to Environment and Sustainability in Pharmacy	Dr. Rockfillinroy Kharmawlong, Assistant Manager Plantation Earthree Enviro Pvt. LTD.
26 September 2025	Workshop on Tools for Data Collection	Dr. Pavei Kh, Dr. Tulika Rani Talukdar, Dr. Lavinia Lyngdoh, and Dr. Kheyali Roy, ADBU
10 October 2025	Mushroom Spawn Production 'Techniques and Emerging Opportunities'	Dr. Farzana Naseem and Dr. Toshinugla Ao from Botany Department
13 October 2025	Three Days Workshop on Soft Skills	Ms. Sangita Consultant, Makeintern, New Delhi
14 October 2025	Towel Art	Soma Lyngdoh, ADBU
14 October 2025	International Symposium on Quantum Computing	Dr. Harish Sahu, Scientist-F, DRDO, Delhi.
15 October 2025	Quantum Optimization and Computing under UNESCO's International Year of Quantum Science and Technology	Dr. Nilotpal Chakraborty, Assistant Professor at IIIT Guwahati
16 October 2025	Hands-on Workshop on 'Harnessing Generative AI for Innovation and Education'	Mr. Eshant Das, Senior Generative AI Specialist at Buzzboard
16 October 2025	National Workshop on Promotion of Research and Publication under DSIR's PRISM Scheme	Prof. Sukhomay Pal, IITG, Dr. Biranchi Panda, IITG, Prof. P. S. Robi, Professor, IITG, Prof. Ujjwal K. Saha, Professor, IITG

16 October 2025	Workshop on Research Methodology	Dr. Rashmita Barua, Dr. Amarjit Deb, Dr. Samit Chowdhury, Dr. Suman Mahanta, Dr. Gaurav Das, Dr. Chayanika Das, Dr. Jamal Hussain, Dr. Taniya Paul - ADBU
17 October 2025	Career-Guidance Workshop on MCA Major Projects Guidelines in Collaboration with XopunTech India Pvt. Ltd.	Mr. Muhammad Mukibul Islam, CEO and Co-Founder, Xopun-Tech India Pvt. Ltd. and Mr. Rishi Bhagawati, Senior Manager, XopunTech India Pvt. Ltd.
27 October 2025	Career-Focused Workshop on Major Projects and Internships (Guiding Students Towards Professional Growth and Employability)	Mr. Shubhasmit Malakar, CEO, Trusnetix Technologies Private Limited
28 October 2025	Two-Day Workshop on Basic Biostatistics for Researchers	Prof. Hilloljyoti Singha, Professor, Department of Zoology, Bodo-land University Mrs. Bibha Rani Talukdar, Assistant Professor, Goreswar College Mr. Saurabh Mardi, Research Scholar, Department of Zoology, Bodoland University Dr. Biswajit Chakdar, Assistant Professor (Senior), Department of Zoology, Assam Don Bosco University Dr. Jane Wanry Shangpliang, Head of the Department of Zoology
28 October 2025	ANVESHAN	Dr. Saurabh Chandra, Prof. Riju Sharma, Prof. Deepak Sharma ADBU
28 October 2025	Seminar on Economics Lecture Series	Dr. Rashmita Barua Mr Rajib Kr Das, Ex-Principal (i/c), Retd. Associate Professor, Department of Economics, Handique Girls' College, Guwahati Dr. Angana Barua, Associate Professor, Department of Economics, Pandu College
30 October 2025	Workshop on New Education Policies: Syllabus of B. Pharm and M. Pharm Courses	Shri. Jashubhai Hirabhai Chaudhari, (Vice-President-PCI), Dr. Deependra Singh, (Chairman, Education Regulatory Committee-PCI)
30 October 2025	Workshop on Research Methodology	Dr Harjyoti Kalita, Himashree Dutta, Dr. Jewel Mayur Phukan Ronuj Bori, Dr. Biju Mani Das ADBU
31 October 2025	UNESCO International Year of Quantum Science and Technology	Dr Sanjay Kalita, Dr Bhaskar Sharma, Dr Bikash Borah, Dr. Monmayuri Baruah, Dr Sumita Sharma, ADBU
06 November 2025	Workshop on LaTeX Documents	Dr. Parag Bhattacharya, Assistant Professor, Department of Physics, Rangapara College, Assam
10 November 2025	Talk on Biomechanics in the medical device industry	Dr Sourabh Boruah, Biomechanical, Research Scientist, REVBIO INC, Lowell, MA, United States
10 November 2025	Career Counselling Seminar 'Unlock Your Future:	Dr. Buljit Buragohain, Head of the Department of Mechanical Engineering and Chairman of the Career Guidance Cell.
11 November 2025	Bite & Buzz	Mr. Manas Sarkar, Ms. Soma Lyngdoh, Dr. Chandan Bezborah
14 November 2025	Robo Race	Dr. Dhruvajit Sarma, Mr. Pranjal Sarma, Mr. Kalyan Das,
22 November 2025	International Symposium on Recent Trends in Electronics and Communication Engineering	Dr. Ishuru Lakhmal, NSBM Green University, Sri Lanka Dr. MWP Maduranga, University of Sri Jayawardenepura, Sri Lanka, Dr. Samiru Gayan Senior Lecturer, University of Moratuwa, Sri Lanka Dr. Sabyasachi Bhattacharyya, Barak Valley Engineering College, Sribhumi and Residential Girls' Polytechnic, Golaghat, India
13 December 2025	One-Day Research Seminar Presentation by MSc Mathematics Students	Dr.SanjoyKalita, Dr.SujitTalukdar, and Dr.Apil Uddin Ahmed. Faculty members of the Department of Mathematics
27 December 2025	Two-Day Hands-on Training Programme on Herbarium Techniques	Dr. Ashish Kar, Fellow Scientist, The Energy and Resources Institute (TERI), Northeastern Regional Centre, Guwahati, Dr. Thounaojam Thorny Chanu (Head, Department of Botany) and Mr. Devanjal Bora
07 January 2026	3 days Skill Enhancement Workshop on Participatory Rural Appraisal (PRA)	Dr. Lojita Khaidem & Dr Lavinia Lyngdoh, ADBU
07 January 2026	IQAC Workshop on NAAC Assessment Process	Dr. Bikramjit Goswami, Dr. Hemen Bharali, Mr. Partha Pratim Kalita, ADBU
07 January 2026	A four-day intensive workshop on Data Analysis for Social Work Research	Faculty from Department of Social Work
08 January 2026	Three-Day Training Programme 'Computational Skills in Scientific Analysis using Python'	Dr. Parag Bhattacharya, Assistant Professor, Department of Physics, Rangapara College (Autonomous), Assam
20 January 2026	Building Financial Awareness for Superwoman in You	Mr. Saurav Ghosh

21 January 2026	Two Days Workshop on Galaxies across Cosmic time: From Observations to Data Analysis	Dr. Rupjyoti Gogoi, Assistant Professor, Department of Physics, Tezpur University Dr. Anshuman Borgohain, Post doctoral fellow, IUCAA, Pune Prof. Monmoyuri Baruah, HoD of Department of Physics Dr. Anshuman Borgohain
27 January 2026	THREE-DAY BIOINFORMATICS WORKSHOP	Dr. Thounaojam Thorny Chanu, Head, Department of Botany Dr. Raj Kumar Pegu, Director, School of Life Sciences Dr. Saurov Mahanta, Senior Technical Officer, NIELIT, Guwahati Dr. Bikash Kalita, Programme Coordinator, Department of Botany, Dr. Nabajyoti Goswami, Mr. Manabendra Nath
28 January 2026	Urban Governance by Praja Foundation	Gitartha Das is a development professional, currently serving as Associate Manager at Praja Foundation, where he leads Praja's work in Assam
28 January 2026	NABL Accreditation Workshop	Ashutosh Debnath, Faculty, QCI.
29 January 2026	HANDS-ON TRAINING ON DATA ANALYSIS FOR PG STUDENTS	Dr. Pranti Dutta, Dr. Ananya Kashyap, Ms. Jyotika Hazarika Dr. Abdur Rashid Ahmed
03 February 2026	Workshop on Research Methodology	Dr. Maria Choudhury, Assistant Professor, Department of Psychology, ADBU
06 February 2026	Guest Expert Lecture	Sanjay Kumar Aratla, Hospitality Trainer, Mumbai, Maharashtra
17 February 2026	One Day Workshop on Entrepreneurship Awareness Programme (EAP) with support from DC MSME, New Delhi, in collaboration with TRTC, Guwahati.	Mr. Kalyan Dutta — Training Officer, TRTC Mr. Partha Jyoti Sarma — Coordinator, Civil Department, TRTC Mr. Subhankar Das — Skill Program Coordinator, TRTC Mr. Santosh Sarma — Lead District Manager, UCO Bank
19 February 2026	Workshop on Vedic Mathematics	Dr Chayanika Das, ADBU
20 February 2026	Seminar on Powering India's Growth: Energy, Engineering & Sustainability.	Dr. Atul Rawat, Senior Associate Professor & Head of the Energy, Economics & Sustainability Cluster, School of Business, UPES Dr. Rawat
24 February 2026	Workshop on Thematic Apperception Test (TAT)	Ms. Dharitri Dutta, Clinical Psychologist
28 February 2026	Training on HAM Radio for General Licensing in Morse Code	Shri Tahiruddin Ahmed, former President of the All-Assam Police Association Dr. Neelanjan Buzarbaruah of the Department of Physics, ADBU Prof. Monmoyuri Baruah, Director, Research and Development Cell
13 March 2026	TWO-DAY TECHNICAL WORKSHOP ON POWER ELECTRONICS	Dr. Chandan Kumar, Associate Professor, Department of Electronics and Electrical Engineering, IIT Guwahati
19 March 2026	An Outreach Program: Bridging the Gap Between Academia and Industry	Dr. Bethsheba Basaiawmoit, Incubation Manager, NIPER Guwahati"
19 March 2026	Workshop on Graphic Design- From Design Principles to hands-on Project of ADBU Times	Ms. Dolly Banerjee, Teaching Assistant and PhD Research Scholar, Department of Mass Communication, Assam Don Bosco University
20 March 2026	Bartending workshop	Suprotim Saikia ADBU
25 March 2026	Three Day Workshop on Interview Skills for Jobs and Communication Skills for Workplace	"Mr. Abhijnan Sharma and Mr. Rajesh Singh
26 March 2026	ICSSR Sponsored Three-day Workshop Qualitative Research Tools and Approaches	Dr. Rajshree Bedamatta, Professor, HSS, Indian Institute of Technology, Guwahati Dr. Santhosh M. R., Assistant professor, TISS Guwahati Dr. V. Sawmveli, Assistant professor, TISS Guwahati Dr. Arunima Deka, OKD Institute of Social Change and Development, Guwahati Dr. Samir Talati, Senior Research Fellow, Northeastern Social Research Centre, Guwahati Dr. Vizokhole Ltu, Senior Research Associate, Northeastern Social Research Centre, Guwahati
28 March 2026	One Day Workshop on Basic Mapping Using Google Earth Pro and QGIS	Dr. Biswajit Chakdar Dr. Rubaiya Hasan, Department of Zoology
28 March 2026	One-Day Competitive Exam Readiness Workshop on Quantitative Aptitude and Logical Reasoning	Mr. Harsh Khemka, Mr. Gaurav Khemka, Director of IMS Guwahati, Mrs. Anuradha Deb
31 March 2026	Workshop on Basic Accounting Terms	Rubi Haloj, ADBU
07 April 2026	Concrete Choices: Urban Climate Futures Workshop	Hardika Dayalani Director, Anant Fellowship in Sustainability and Built Environment, Anant National University
07 April 2026	Online Interactive Session with Vavani Sarma, a senior software engineer at SpaceX, USA	Vavani Sarma, a Senior Software Engineer at SpaceX, USA

CODE OF ETHICS AND BEHAVIOURAL GUIDELINES

A code of ethics is part of any profession. The University, as an institution imparting higher and professional education, has in place a Code of Ethics to serve as a guideline for forming attitudes, directing conduct and maintaining an environment of personal and institutional integrity.

All members of the university community are to abide by this code in letter and spirit, within and outside the campus.

Integrity

The University believes in and fosters personal, academic and professional integrity. Among other things, integrity calls for

- Being honest in examinations and assignments, and avoiding plagiarism and misrepresentation of facts.
- Not using computers to gain access to unauthorized information or objectionable websites.
- Not evading legitimate financial obligations

God-orientation

A student of Don Bosco University cultivates a basic God-orientation that contributes to the development of a healthy personality. This requires

- Respect for all religions and faiths.
- Active participation in assembly, prayer and all-faith prayer sessions that may be organized from time to time. However, no external form of worship other than that of the Catholic community shall be permitted in the campuses of the university.

Dress Code

A dress code expresses both professionalism and uniformity. A professional appearance helps to develop self-confidence and promote an environment of mutual respect and dignity. Hence the university may deem it fit to propose a dress code for the students of certain academic programmes. Wherever a dress code has been proposed by the university, all students shall abide by it.

Substance Abuse

Substance abuse such as tobacco, alcohol, drugs, etc., is contrary to the dignity of human beings and forms habits that destroy persons, families and society. They should not be brought into or used within the campus of the University.

Cell Phones

While cell phones have become very common, it is necessary that they be used judiciously. Their use during academic activities and official functions violates etiquette and manners. To prevent this, cell phones shall remain switched off in the campus, except in the canteens and the grounds.

Family Spirit

Assam Don Bosco University is a Don Bosco Institution. A fun-

damental characteristic of Don Bosco institutions is the family spirit. This is to be ensured by

- Cordiality in relationship between and among students and staff members
- Harmonious living and respect for members of other communities and religions.
- Not taking part in divisive activities and partisan politics or forming associations which go counter to the spirit of harmonious living. While the university fosters associations which have representatives from among the students, staff and management, union activities are not permitted in the campuses of the University.

Anti-Ragging

Ragging and eve-teasing are activities which violate the dignity of a person and they will be met with zero tolerance. An Anti-ragging Committee is in place to prevent/deal with violations according to the civil laws in force and it is mandatory to sign Anti-ragging Affidavit.

Community Service

The University values community and neighbourhood service as an integral part of education. Whenever the university organizes programmes to achieve this end, students are expected to take part in them whole-heartedly.

Discipline

Discipline is an essential aspect of the maturing process. The university shall provide an environment conducive to self-discipline. To maintain this environment,

- Students shall treat teachers and those in authority with due respect.
- Acts of indiscipline, insubordination and interference in administration are unacceptable.
- Acts of serious indiscipline will be dealt with by the Disciplinary Committee which comprises of university officials, faculty members and student coordinators.

Attendance

Regularity in attendance and punctuality are signs of one's commitment to learning. Hence,

- Any absence should be with prior sanctioned leave.
- In case of any emergency such as sickness, bereavement, etc., the parent or guardian must inform the concerned authority promptly.

Skill Acquisition

Education is more than acquiring knowledge. The university organizes programmes aimed at enhancing the skills required for an integrated personality. Active participation in these

programmes is mandatory.

Respect for Property

Care and respect for common facilities and utilities are an essential component of social responsibility. In view of this, any willful damage to university property must be made good by the persons concerned.

Safety

Safety of individuals is an important issue. Hence, one's own safety as well as that of others should be the primary concern of every student, especially in the workshops and laboratories. While the university makes every effort to provide a safe and secure environment for work and study, the responsibility for individual safety lies with each student. The university cannot be held accountable for careless accidents.

Parents-Institution Linkage

By getting their wards admitted into a Don Bosco Institution,

parents entrust them to the institution during the most crucial years of their lives - a period that prepares them to take on the responsibilities of adulthood. The university stands committed to providing them excellent education and integral formation. However, parents have an equal responsibility in this task. We expect that parents/guardians will frequently enquire and be informed about their ward's progress, come to the university when required and on important occasions in the life of the staff and students of the University.

This Code of Ethics lays down norms of behaviour for the more important contexts of life in a university. These guidelines, however, are not exhaustive. Any conduct that goes against the letter and spirit of these principles and norms will be considered a violation of this Code. This code invites every Bosconian to 'carpe diem' - seize the day, make timely use of every opportunity and experience 'life in its fullness'.

Please Note

- Admission to any of the programmes offered by Assam Don Bosco University can be secured only by merit
- We have no agents or middlemen acting on our behalf. Applicants are advised to be on guard against unscrupulous persons promising seats in this University for monetary considerations
- We do not accept donations or capitation fees of any kind in connection with admissions

TRAINING, PLACEMENT AND ENTREPRENEURSHIP DEVELOPMENT

Training Activities

The training and placement cell of the University has been incorporated with the sole objective of minimizing the gap between industry and academia and giving the students training and exposure through which they can capitalize on every opportunity for placement.

The training and placement cell achieves the above objectives through regular:

- Training classes embedded in the regular class schedule
- Motivational sessions
- Seminars
- Workshops
- Soft skills training
- Fun-filled games
- Personality development
- Group Discussions
- Personal Interviews
- English Proficiency through Language Labs
- Internet Testing and Scores
- Intranet Testing and Scores

Summer Internship

Most programmes expect students to undergo a mandatory Summer Training Programme in reputed external organizations. As an essential part of the curriculum, they are rated on these experiences on the basis of their reports and feedback from the trainee institutions.

Entrepreneurship Development

The graduates of the University are provided with ample opportunities to develop their entrepreneurial skills to incubate promising innovations and to explore business plans for their creative ideas.

Placement

The Placement Team at ADBU constantly strives to create and grasp every opportunity for generating employment opportunities for the students. It works in close coordination with the students, who also form an integral part of the team, to ensure that our students get the maximum exposure to the corporate world. Some of the industries, companies and recruiting agencies who keep visiting the University campus are given on the next page.

Companies and Recruiting Agencies

PRADHAN MANTRI KAUSHAL VIKAS YOJANA FOR TECHNICAL INSTITUTIONS

Don Bosco College of Engineering and Technology, a constituent unit of Assam Don Bosco University, School of Technology, is an empanelled institute under Pradhan Mantri Kaushal Vikas Yojana for Technical Institutions (PMKVY-TI) scheme for 2017-2018. (PMKVY-TI) is an initiative of MHRD, Govt. of India in association with AICTE. A skill based, certification course training by National Skill Development Agency (NSDA) is provided to the school and college drop outs to pursue/attain higher order skills from the neighbouring places of the College. Following are the five approved schemes under PMKVY-TI.

- Assistant Electricity Meter Reader, Billing and Cash collector.
- Domestic IT Helpdesk Attendant.
- Domestic Data Entry Operator.
- Junior Software Developer
- Telecom Embedded Hardware Developer

COMMUNITY LED IMPROVEMENT INITIATIVE

The University launched a 'Centre for Developmental Studies and Initiatives' with the aim of carrying forward its vision of being a catalytic agent for bringing progress and development through participatory approach in the neighboring 42 villages of ADBU, Tapesia campus. Emphasis is laid on working together with the local communities for sustainable development in the six thematic areas of Education, Health, Food Security, Vocational training and Governance to bring about positive changes in the lives of people. The 'Centre for Developmental Studies and Initiatives' is designed to become a hub for study, research and developmental activities as a regular feature of the university. The students are encouraged and guided to volunteer for developmental work through its initiatives and are provided with opportunities galore to enhance their social commitment.

PM YUVA YOJANA

The School of Technology has been recently empanelled under the newly launched PM YUVA YOJANA (YUVA UDYAM-ITA VIKAS ABHIYAN). PM YUVA YOJANA is the flagship scheme of Ministry of Skill Development and Entrepreneurship (MSDE) on entrepreneurship education and training, advocacy and easy access to entrepreneurship support network to over 14 lakh youth to initiate maximum start-ups over five years.

The key objectives of the scheme are:

- Educate and equip potential and early stage entrepreneurs
- Connect entrepreneurs to networks of ideas, mentors and funding
- Coordinate and support govt. entrepreneurship schemes

This scheme also allows the empanelled institutes to offer six certificate programs to students. These will be facilitated by faculty through Massive Open Online Courses (MOOCs), designed and developed by national and international experts. These courses are certified by National Institute of Entrepreneurship and Small Business Development (NIESBUD) under Ministry of Skill Development and Entrepreneurship (MSDE).

SWASTYAYAN... A COMMITMENT

A social commitment project of the University facilitated by the students of the departments of Social Work and Engineering & Technology - "Swastyayan... a commitment". With tutorials in subjects like Mathematics, Science, Social Sciences and English in the evening, the project reaches out to the high school students of Azara Gaon Panchayat. Further, they are encouraged to participate in a series of sessions on goal setting, time management, life-skills development, spoken English tutorials, games and sports that are intended to enthuse and enhance their personality and self-esteem.

Initiated and successfully run by the students of the Social Work Department, over a hundred students and teachers from the School of Engineering participate as volunteers to teach, motivate, encourage and inspire the needy children from the neighbourhood... Discover the goodness within you - share it with the world around you!

QEEE – A PILOT PROGRAMME OF MHRD

The University is among the 100 colleges/universities selected by the Quality Enhancement in Engineering Education (QEEE) pilot programme of MHRD (Ministry of Human Resource and Development), a project assisted by World Bank. The objective of the programme is to enhance the quality in technical education and to keep the same standard in all the universities and colleges. The three approaches of the programme targets students, faculty and management.

SWABHALAMBAN – SKILL TRAINING FOR LOCAL YOUTH

An inter-departmental social commitment program of training educated unemployed youth in the neighbourhood on livelihood support skills. The faculty, staff and students train unemployed youths of the area in batches in electrical house wiring, inverter making and installation, construction skills and cement plastering.

Electronics & Communication Engineering (ECE) trains them on assembling simple inverters, their installation and maintenance. Electrical & Electronics Engineering (EEE) teaches electrical house wiring, Civil Engineering Department teaches them Construction Skills and Cement Plastering, and Social Work Department helps in mobilising and disseminating information to the villages, selecting the trainees and following up on the post training activities.

CENTRE OF EXCELLENCE IN NANOTECHNOLOGY

The CoEN focuses on research in Nano-sciences and Nanotechnology leading to industry-ready technology/products, development of human resources for implementing nanotechnology through interdisciplinary research, initiate strong interactions leading to collaborations with leading academic institutions and industry for innovations, setting up of a state of the art nanotechnology characterization lab with facilities like Scanning Electron Microscope, Transmission Electron Microscope, X-ray diffraction spectroscope, Photoluminescence Spectroscope, Raman Spectroscope, Inductively Coupled Mass Spectroscope, Gas chromatograph, etc., design and fabrication of basic instruments for nano fabrication and characterization.

COLLABORATIONS WITH BANGKOK UNIVERSITY AND AIT BANGKOK

Assam Don Bosco University has research collaborations with Bangkok University (BU) and Asian Institute of Technology (AIT) wherein researchers / MTECH and PHD students from Don Bosco University carry out a part of their research work in the institutes in Bangkok and vice versa. The University has also started an unified BTECH-MTECH program for all branches of Engineering where the BTECH degree will be given by Don Bosco University and the MTECH degree by AIT.

ACADEMIC EXCELLENCE AWARDS

These awards, in recognition of academic achievement, are sponsored by members of the Faculty and others with the aim of motivating students to excel in their studies. The amounts and other specifications will be announced every semester.

THE INTERNATIONAL STUDENT VOLUNTEER EXCHANGE PROGRAMME (With University College Dublin, Ireland)

The Student Volunteer Programme in collaboration with University College Dublin, Ireland, envisages promoting understanding of development concerns of marginalised and underprivileged communities. The programme includes academic engagements as well as field applications, focusing on promoting the spirit of appreciation for different cultures. It enables the participants to share learning and experience in the areas of participatory community development and social outreach.
